# **Welcome to Carleton University!**

Situated on unceded Algonquin territory beside the historic Rideau Canal, an official UNESCO World Heritage Site, Carleton University was founded by the community in 1942 to meet the needs of veterans returning from the Second World War.

Situated on 62 hectares just south of Ottawa's city centre the campus is bordered by the Rideau River, the historic Rideau Canal, and pleasant residential neighbourhoods.

The campus has five kilometres of underground tunnels conveniently linking the University's buildings.
