### Guide to reading the schedule

|                            |   |
|----------------------------|---|
| <b>Course:</b>             | Name of the course.   |
| <b>Code/Semester:</b>      | The course code and its semester. Some courses are full credits (Fall/Win) and run from Sept-Apr. Others are half credits and run in either the Fall (Sep-Dec) or Winter (Jan-Apr) sessions. For the First Year Seminars, some course codes are different for the same class. This is indicated by the / and you are welcome to select either course section based on your preferred day/time.  |
| <b>Day/Time:</b>           | M=Mon, T=Tues, W=Wed, <b>R=Thurs</b> , F=Fri. Classes may be held once per week for 3 hours or two times per week for 1.5 hours, or once per week for 2 hours plus a discussion group of 1 hour. For example, courses listed <b>MW are offered both Mon and Wed</b> , and classes listed <b>TR are offered Tues and Thurs</b> at the times listed. As well, the / represents two different times for different course codes (see above notes). Please read the times carefully. |
| <b>Instructor:</b>         | Name of the Instructor/Professor.   |
| <b>Time Tutorial/Labs:</b> | Some courses (usually those that have two hours per week for the lecture time) have discussion groups for 1 hour per week. These are led by Teaching Assistants assigned to the course and are a graded component of your courses. Groups are often offered at different times. We'll register you in just <u>one</u> of the discussion groups listed (one that has space available and works with your other course).  |
| <b>ESP Workshop:</b>       | This is the ESP Workshop assigned to the course with its day/time listed. It's there to help you succeed in the course and is an important and mandatory part of our program.   |
| <b>Facilitator:</b>        | Name of facilitator who runs the corresponding ESP workshop.  |
