

Class and Workshop Schedule

Arts and Social Sciences Stream

This is the schedule for the CIED 1001 A (Section A) and Elective Courses (Section B) available to ESP/IESP students. Please note: All courses are subject to cancellation and/or change in schedule. **All classes will be held online this term.** After we have registered you in your courses and workshops you can check your timetable in Carleton Central.

With each of your Elective Courses (Section B), you will also attend a weekly ESP/IESP Workshop. See the Student Guide for information about Workshops.

Some courses are listed more than once, indicating different sections of the same course. They have the same content but are offered at different times and sometimes taught by a different professor.
