Class and Workshop Schedule
Computer Science Stream

This is the schedule for the Seminar Courses (Section A) and Elective Courses (Section B) available to ESP/IESP students in the Computer Science stream. Locations will be announced online on September 1st (check your schedule in Carleton Central) after we have registered you in your courses and workshops.

With each of your Elective Courses (Section B), you will also attend weekly ESP/IESP Workshops. See the Student Guide for information about Workshops.

Guide to reading the schedule

Course: Name of the course.
Course/Semester: The course code and its semester. Some courses are full credits (Fall/Win) and run from Sept-Apr. Others are half credits and run in either the Fall (Sep-Dec) or Winter session (Jan-Apr).
Day/Time: M=Mon, T=Tues, W=Wed, R=Thurs, F=Fri. Classes may be held once per week for 3 hours or two times per week for 1.5 hours, or once per week for 2 hours plus a discussion group of one hour. Courses listed MW are offered both Mon and Wed. Courses listed TR are offered Tues and Thurs at the times listed. Please read the times carefully.
Instructor: Name of the Instructor/Professor.
Time Tutorial/Labs: MATH and COMP courses also have discussion groups for 1 hour per week. These are led by Teaching Assistants assigned to the course and are a graded component of your courses. Groups are often offered at different times. We’ll register you in just one of the discussion groups listed (one that has space available and works with your other course).
ESP/IESP Workshop: This is the ESP/IESP Workshop assigned to the course with its day/time listed. It’s there to help you succeed in the course and is an important and mandatory part of our program.
Facilitator: Name of facilitator who runs corresponding ESP/IESP workshop.
