Enriched Support Program
Indigenous Enriched Support Program
Susan Burhoe

- Program Coordinator
- Admissions, Advising
- Teach Pop Culture
- Studied History & Cultural Mediations at Carleton
- Designed for students who do not meet traditional admission requirements but have the potential to succeed at university
- Alternative route to admission: offering the chance to start first year courses with support
- Successful completion earns admission to degree programs
Created to address issues of access to higher education for Indigenous peoples

Joint participation in all program supports

Unique features:

- Indigenous Studies FYSM
- Indigenous mentors
- Connections to Indigenous community
Our students:

- Participate fully in the Carleton community
- Enrol in first-year classes
- Participate in all forms of campus life
Offers pathways to degrees in:

- Arts & Social Sciences
- Business
- Computer Science
- Engineering
- Science
3 First-year Courses:

Student Advising

Academic Advantage Coaching
First-year B.A. students enroll in FYSM courses
- Regular credit course
- Small class, active, participatory
- Preview of 3rd & 4th year Seminars
- Peer mentors
Instead of a broad overview, choose an area of focus and explore material in depth.

**Sample titles**

- Power & Persuasion
- The Psychology of Academic Success
- Communication in Humans and Other Animals
- Culture & Communication
- The Creative Self
- World War II
- IESP: Indigenous Studies
Each FYS course has student mentors:

- Former ESP/IESP students who know the ropes and are there to support you in your transition to university.

Student Advising

Academic Advantage Coaching
Student Advisors

Help you with:

- Investigating degree options: majors, minors, concentrations, certificates
- Review progress
- Connect to campus resources
- Add classes
- Transition from ESP/IESP to degree
Academic Advantage Coaches

Assist you with:

- Managing time and staying organized
- Making a personal study plan
- Essay writing
- Math and science course content
- Reading, writing and thinking more critically
- Generally *learning how to learn*
Completion of ESP/IESP with the required average earns you admission to a program.

**Required ESP/IESP averages**

- **Arts/Social Science** = C+ for most
- **Business** = B
- **Computer Science** = B-
- **Engineering** = B- and up
- **Science** = C+ for General  
  B- for Honours

Notes: See details on our Program page [carleton.ca/esp](http://carleton.ca/esp)

- Program completion means no failed or dropped courses
- Business requires a min. CGPA of 6.5 (C+/B-) for courses in the major
- Computer Science requires a min. CGPA of 4.0 (C-) for courses in the major
- Engineering also requires 4U Physics (will be factored into core CGPA)
- Honours programs in science require an additional 4U science (min. 60%)
Fall & Winter
ESP/IESP
3.0-3.5 credits

Summer
(optional)
ESP/IESP
1.0-2.0 credits

Fall 2019
Admission
to degree with
advanced standing
How successful are ESP/IESP students?

80-90% of students who fully participate (have good attendance) are admitted to a degree.
