

# ESP/IESP to Degree

## Where can ESP/IESP lead?

We can help you qualify for a number of degree programs.

Please note that students with college or university experience prior to ESP/IESP, and/or, who take fewer than 3.0 credits will have different requirements. Second year ESP/IESP will also have different requirements.

➔ These students should consult with an ESP/IESP Academic Advisor for details.

## ESP/IESP Arts & Social Sciences Stream

### Bachelor of Arts Programs

An average of C+ (6.0) across 3.0 successfully completed credits in the ESP/IESP will earn you admission to most Bachelor of Arts programs at Carleton, including:

African Studies	European and Russian Studies	Law
Anthropology	Film Studies	Linguistics
Applied Linguistics and Discourse Studies	French	Music
Art History	Geography	Philosophy
Biology (4U Chemistry is required)	Greek and Roman Studies	Political Science
Canadian Studies	History	Psychology
Child and Youth Studies	History and Theory of Architecture	Religion
English	Human Rights and Social Justice	Sociology
Environmental Studies	Indigenous Studies	Women's and Gender Studies

The B.A. programs listed below require higher than a C+ average for admission across 3.0 successfully completed courses in ESP/IESP:

Criminology and Criminal Justice requires B-/B avg (7.5)      Geomatics: requires B-/B avg (7.5)

Social Work is a limited enrolment program and meeting the minimum average requirement does not guarantee admission. Students must submit a portfolio and be selected by the committee.

## How does Carleton calculate your ESP/IESP average?

---

Carleton uses a 12-point grade system to calculate cumulative grade point averages (CGPA).

Here's the guide to convert letter grades or numbers to Carleton's grade point system:

Letter grade	A+	A	A-	B+	B	B-	C+	C	C-	D+	D	D-	F
Percent grade	90-100	85-90	80-84	77-79	73-76	70-72	67-69	63-66	60-62	57-59	53-56	50-52	0-49
Grade point*	12	11	10	9	8	7	6	5	4	3	2	1	0

Your ESP/IESP Academic Advisor will help you to calculate your CGPA while you study in the program. Most B.A. programs require a C+ (6.0) average across 3.0 credits.
