Where can ESP/IESP lead?
We can help you qualify for a number of degree programs.

Please note that students with college or university experience prior to ESP/IESP will have different requirements. Second year ESP/IESP will also have different requirements.

These students should consult with an ESP/IESP Academic Advisor for details.

Admission to a B.A. after ESP/IESP

Students in our January program can earn up to **1.5 credits** (because they are enrolling in 3 half-credit courses and two non-credit workshops).

In general, ESP/IESP students (unless they qualify as a mature applicants) must complete at least **2.0 credits** before being admitted to a degree program. This means, that you will be continuing ESP/IESP in the subsequent summer or fall/winter terms before entering a degree program.

You will qualify for degree entry once you have met the following criteria.

**Entrance criteria:**

- After successful completion of 2.0 credits, you may be admitted to a B.A. program with a B average (8.0 on Carleton’s 12 point scale)
- After successful completion of 2.5 credits, you may be admitted to a B.A. program with a B- average (7.0 on Carleton’s 12 point scale)
- After successful completion of 3.0 credits, you may be admitted to a B.A. program with a C+ average (6.0 on Carleton’s 12 point scale)
- After successful completion of 4.0 or more credits, you may be admitted to a B.A. program as long as you would be in **good standing**

Students who meet the criteria above are eligible for admission to most of Carleton’s Bachelor of Arts Programs. Please note that some B.A. programs may require a higher average (BA Geomatics or Criminology), or have prerequisite subjects for high school (e.g. BA Biology, B. Economics). Please note if you fail a course, it is factored into your average and will affect your admissibility to a program.

Meeting with an Academic Advisor early in the term is the best way to ensure you know the requirements to get in to your program of choice. Also, be sure to read the ESP/IESP Advising Bulletins sent by our Academic Advisors each month for information about dates and deadlines.

**Mature Students**

Mature students may qualify for admission to a B.A. program after having completed a minimum of 1.0 credit with at least a C- or better standing in the first attempt (i.e. your first university credit(s) at Carleton), provided they meet the university’s formal definition of "Mature" applicants; that is they:

- are a Canadian citizen or permanent resident of Canada;
- have not attended a college or university as full-time students;
- have been away from full-time studies for at least two calendar years;
- do not meet the normal admission requirements (as published in the Undergraduate Calendar);
- have completed any required prerequisite subjects (for example: an applicant to a B.A. Biology must have completed grade 12 Chemistry with a minimum of 60% or higher).

Note Carleton uses a 12.0 GPA scale as follows:
A+ =12.0 (or 90-100%), A=11.0 (or 85-89%), A−=10.0 (or 80-84%), B+=9.0 (or 77-79%), B=8.0 (or 73-76%), B−=7.0 (or 70-72%), C+=6.0 (or 67-69%), C=5.0 (or 63-66%), C−=4.0 (or 60-62%), D+=3.0 (or 57-59%), D=2.0 (or 53-56%), D−=1.0 (or 50-52%).
