

# ESP/IESP Program Winter: Arts & Social Sciences Stream

## Core Course (0.5 credit)

- ◆ taught by an ESP/IESP **Instructor**
- ◆ introduces intellectual skills expected of university students
- ◆ teamwork and mentoring are a focus
- ◆ provides **peer mentors** support to students in their transition to university
- ◆ a regular first-year credit course

### Choose one core course:

Selected Topics in Popular Culture

## Elective Courses (2 x 0.5 credits)

- ◆ intro courses across a variety of disciplines, enrolled with other first-year students
- ◆ evaluate students according to same standards as other first-year students

### Take two arts/social science courses:

*Sample elective course list*

Introduction to Anthropology	→
Introduction to Criminology	→
Issues in Communication & Media Studies	→
Introduction to Global Environmental Systems	→
Introduction to Indigenous-Settler Encounters	→
Introduction to Legal Studies II	→
Philosophy: Mind, World & Knowledge	→
Political Science: World Politics	→
Introduction to Psychology	→
Introduction to Social Work	→

## Workshops (non-credit)

- ◆ structured study sessions that help develop the skills and habits needed to succeed at university
- ◆ led by **workshop facilitators** who attend the course lectures each week
- ◆ review and reinforce weekly course material
- ◆ guide you in formulating effective study, test-taking and essay writing strategies

### Take two workshops:

*One workshop to support each elective course*

Workshop: Introduction to Anthropology
Workshop: Introduction to Criminology
Workshop: Issues in Communication & Media
Workshop: Intro to Global Environmental Systems
Workshop: Introduction to Indigenous Studies
Workshop: Introduction to Legal Studies II
Workshop: Philosophy: Mind, World & Knowledge
Workshop: Political Science
Workshop: Introduction to Psychology
Workshop: Introduction to Social Work

## Academic Advantage Coaching

- ◆ one-on-one sessions with expert **academic coaches**
- ◆ prepares students for essays, presentations and tests
- ◆ helps students acquire skills in time management, organization, studying, reviewing, presenting and writing

## Academic Advising

- ◆ ongoing, individualized support from **academic advisors**
- ◆ direction in setting academic goals and plans
- ◆ guidance in deciding a major/minor
- ◆ aid in applying to a degree program
- ◆ support with academic or personal difficulties
- ◆ help in deciphering academic rules and regulations
- ◆ assistance in registration or withdrawal from courses
- ◆ advice in locating the right person, service, or resource at the university

**80-90% of students with good workshop attendance succeed in earning admission to a degree!**
