## ESP/IESP Business Stream

### First-Year Seminar (1.0 credit)
- A regular first-year credit course in an upper-year seminar style
- Taught by ESP/IESP Instructors
- Introduces intellectual skills expected of university students
- Offered in a small class environment; teamwork and mentoring are a focus
- Provides peer mentor support to students in their transition to university
- Available in a variety of seminar topics

### Elective Courses (2.0 credits)
- Intro courses across a variety of disciplines, enrolled with other first-year students
- Evaluate students according to same standards as other first-year students

### Workshops (non-credit)
- Structured study sessions that help develop the skills and habits needed to succeed at university
- Led by workshop facilitators who attend the course lectures each week
- Review and reinforce weekly course material
- Guide you in formulating effective study, test-taking and essay writing strategies

### Academic Advantage Coaching
- One-on-one sessions with expert academic coaches
- Prepares students for essays, presentations and tests
- Helps students acquire skills in time management, organization, studying, reviewing, presenting, writing & mathematics
