

The background of the entire poster is a complex network diagram. It consists of numerous grey circular nodes of varying sizes, interconnected by thin, bright yellow lines. The nodes are scattered across the black background, creating a web-like structure that suggests connectivity and relationships. The lines are thin and sharp, contrasting with the dark background.

The Carleton Ethnography Lab

Presents

Back From the Field

A discussion of Covid-era
fieldwork and its implications

November 25, 3-5pm

2017 Dunton Tower
