| 3 | Select the funding source you are requesting access to for the individual. The funding source is represented by a short code called an index.

How is the index short code determined?
- Departmental indexes are made up "D" + ORGN (e.g. D016 – French)
- Ancillary Indexes are made up "A"+ ORGN (e.g. A640 – Parking)
- Research and other internally restricted indexes are equal to the FUND (e.g. 555555)

There are two ways to 'Select the Index'. You can either type an index directly into the field (i.e. 188888 in this example) OR you can click on the magnifying glass (and then the 'Search' button in the window that opens) to see a complete list of indexes. |

6	a. If require 'eShop Access', then you must click the radio button beside 'Yes', and	
	b. If you chose 'Yes', decide whether an "eShop Implicit Approval Limit" is required and its threshold (i.e. a money limit)	
	Implicit Approval: A form of delegation of financial approval authority up to an approved money limit. This means that an eShop shopping cart with a value below the approved money limit is considered pre-approved and automatically routes to the next step in the eShop workflow (i.e. the approver will not see it). If an eShop shopping cart has a value above the approved money limit, it will be routed to approvers.	
	c. Choose an 'Effective Date' based on when access is required. If applicable, also choose an 'Expiry Date'.	
7	When the request is complete, click the grey 'Submit' button.	Submit
8 **NOTE!** A 'Terms and Conditions' window with a **'Delegation of Authority Agreement'** will pop up ONLY if you selected 'Yes' for 'eShop Implicit Approval Limit'.

   a. Read the 'Terms and Conditions' window that opens up.

   Note: It is important that you understand what level of responsibility you are delegating to the individual. You can refer to the *Approval and Delegation of Authority Policy* to find out who can act as a financial approver.

   If you are a researcher, contact your financial officer with any questions. If you are not a researcher, email questions to financial.services@carleton.ca.

   b. Click on the 'I Agree' button.

What Next? FAAM will rout your request to the funding source owner for review and approval. You will receive an email notification with further details once the request has been approved or declined.
