

# PODCAST

*EL Learning*

## Expectation

Students will listen to podcats made by and tailored to children

Students will then be encouraged to divide up the project into sections

- Filming
- Designing posters and a logo
- Editing
- Collectivly coming up with topics
- Making announcements

Finally they will begin the recording and advertising process.

## Product

**Podcast:** creating an apple podcast revolving around academic curriculum in relation to real-world situations.

**Morning Announcements:** Students will remind the school of their 20 minute podcast that will be posted Friday at 12pm.

**Posters:** The posters will be on the walls around the school. Made by the students

**YouTube Channel :** Bloopers, and video recording of the podcast will be posted.

**Logo:** Created by the students in a creative way to demonstrate their goal.
