

### 2018-19 Fiscal Year End Instructions

Carleton University must undergo an annual audit of its financial records for the period of May 1st to April 30th. Our goal is to close the books as quickly and accurately as possible. In order to do this, we need the university community to assist us by forwarding all financial documents relating to transactions that occurred prior to April 30th by the deadlines noted below. Documents received after these dates, unless considered material (greater than \$50,000) will be recorded in the next fiscal year.
