

Carleton University FIRST Robotics Engineering and IT Scholarship

Carleton University is offering up to **3 Carleton University FIRST Robotics Engineering and IT Scholarships**, valued at **\$2,000** (Cdn) in first year, to outstanding students entering a Bachelor of Engineering or Bachelor of Information Technology program this September. Eligible applicants must be Canadian citizens or permanent residents of Canada (landed immigrant or a protected person), have an admission average of 80 percent or better and participated on a FIRST Robotics Competition (FRC) team during high school.

Eligibility Requirements

- Must have participated on a FIRST Robotics Competition (FRC) team during high school
- Applied and been offered admission to a Bachelor of Engineering or Bachelor of Information Technology program for September
- Entering first year of the program and pursuing post-secondary studies for the first time
- Minimum admission average 80%

Instructions

1. To apply, complete all three sections of this application form.
2. **Please submit a letter of recommendation with this application.** The recommendation letter should be completed by a school official (eg. teacher, guidance counsellor, vice-principal, principal) who has observed your participation on an FRC team.

Section 1: To be completed by the applicant

Last Name

First Name

Carleton Applicant/Student Number (101xxxxxx):

Date of Birth (MM/DD/YY):

Phone Number:

email:

Program Applied To:

Specialization:

Name of High School:

High School Address:

Section 2: Tell us about your involvement with FIRST Robotics

Please attach a maximum one page submission outlining your involvement and participation on a FIRST Robotics Competition (FRC) team. Please express how the experience was formative in inspiring you to pursue an engineering or information technology education.

Section 3: Student Declaration & Signature

I authorize Carleton University to release a copy of this application and accompanying documents to the appropriate awards selection committee(s) and to FIRST, including my academic record in order to adjudicate my application for an award. I declare that the information I have provide is true and accurate. If any information is inaccurate, I understand that an award may be reassessed and/or withdrawn. If selected for the award, I authorize the Awards Office to release to FIRST identifying information that may include name/program information and contact information.

Signature of Applicant/Student

Date

Application Deadline: April 30, 2020

Complete and submit to: **FIRST Robotics Engineering and IT Scholarship Committee**
