How Does Corridor Funding Work?
Your Turn
Your Questions

1. Do you think the process by which the latest SMA was generated will have any negative effect for us in FPA?
Your Questions

2. What can faculty in FPA do to ensure we have a voice in the presidential search?

carleton.ca/presidential-search
3. What are the priorities of FPA strategically and how can I best align my work to them?

carleton.ca/fpa/about/moving-fpa-forward
4. There seems to be increased bureaucratic complexity in the University. Does anyone evaluate the benefits of this relative to Carleton’s core functions?
5. How are new Inter-Faculty academic units created? Can you give an example of such a unit or one that is under the shared jurisdiction of more than one Faculty?
Thank You for Coming!
