

EXTERNAL FUNDING

Ontario Graduate Scholarship

Ontario Graduate Scholarships (OGS) are awarded to students pursuing graduate studies at the master's or doctoral levels. An OGS is awarded for one academic year. You must submit a new application each year (12-month period). The value of the award is \$15,000 per year.

You may be eligible to apply for an OGS if you:

- plan to be enrolled full-time in an approved graduate program leading to a master's or doctoral degree at an Ontario university;
- are a Canadian citizen, permanent resident, or have been admitted to Canada with a Study Permit; and
- have an overall average of at least A-.

If you meet the eligibility criteria as stated on the [OGS website](#), you must complete and submit your application to:

- the department, or in exceptional cases,
- the Ontario Ministry of Training, Colleges and Universities.

The deadline to submit your application package to the department is usually late September or early October - a year in advance of the time you will actually hold the award and begin your graduate program. Applications and information are available on the [OGS website](#).
