PHASE 1: Name

	WHAT updated choices for who participates in this phase	WHO updated choices for who participates in this phase	HOW updated how the activities are implemented: tools, techniques, principles of this phase	REFERENCES updated main theoretical references	WHAT updated choices for who participates in this phase	WHO updated choices for who participates in this phase	HOW updated how the activities are implemented: tools, techniques, principles of this phase	REFERENCES updated main theoretical references
PRINCIPLE 1 First methodological principle chosen for the project								
PRINCIPLE 2 Second methodological principle chosen for the project								
PRINCIPLE 3 Third methodological principle chosen for the project								

PART B

Updated Design Process

Instru

The aim of this Board is to organize and select relevant information about their design process, and confirm current choices or

This Board consist of two parts:

A) outline the current design process and its features (to be filled before Day 3);

B) draft alternatives, when necessary, on the current design choices and process (t**o be filled during Day 3**).

Part A: Fill in the blank template to the right of the instructions template **before** Day 3

Part B: Fill in the blank template to the right of the instructions template during Day 3. Write the main methodological principle former ones if confirmed.

1) You will have **5 minutes** to present and describe the current research process using Part A.

2) You will have 15 minutes to fill Part B by discussing your current choices and emerging reflections (from pre Day 2, Day 2, ar

If choices cannot be made, take note of the insights from the discussion and fill the table after Day 3 activities.

Remember:

- When a description is required, keep it to 2-3 sentences max.
- Use OpenSans typeface, 10 point size for the description text.
- The font size may be changed to an appropriate size to fit text if necessary.
- Add phases as needed
