The aim of this activity is not to provide a specific answer but to provoke reflections on this topic.

right. (10 mins)

- Use sticky notes to fill in each field, use as many sticky notes as needed.
- Change font size if necessary.
- Colours of sticky notes can be changed and used to connect ideas, along with arrows.
- Change the size of the big teal and yellow boxes if necessary.

What are the methodological principles of research on Gendered Design? (5 mins)

Think about the question, and place any ideas related to methodological principles of research on gendered design (what are they, their purpose, how they are used, characteristics, nature etc...) below using sticky notes. The sticky notes can be connected using arrows or by grouping sticky notes together. Add as many stick notes as needed.
