Presentation

Università di Trento is located in one of the most gorgeous natural environments in the world, the Dolomites UNESCO World Heritage Site, and it combines strong links to the territory with a steady expansion of international outreach. UniTrento is widely recognized as a dynamic and innovative research and teaching institution with strong connections to industry and top-class services. National and international classifications consistently rank the University of Trento as one of the top Italian universities. In addition to traditional lectures, there is much emphasis on new educational pedagogy, focused on flexible learning pathways, micro-credentials and challenge-based approach. UniTrento is a medium-sized university, where it is easy for students and teachers to interact and there is a continuous exchange of ideas across many different disciplines: in short, the virtuous dynamism of a small university. Furthermore, as a result of long-term international relations, UniTrento is a vibrant, multi-cultural university which fosters an enriching and stimulating learning environment.
