

## 27th Meeting - Working Group on Repointing Mortars for Masonry

Tentative AGENDA (subject to change)

**DATE: Friday November 16th, 2018**

**Location:** at CIMS Building #38, on the Carleton University campus – see attached map

Exit Highway 417 at Bronson Avenue. Follow Bronson Avenue south approximately 2 km. The campus entrance will be on the right at the intersection of Bronson and Sunnyside Avenue. Follow University drive to Library Rd.

**Advice from our host:** All-day parking is available in P1 if you pre-register and pre-pay on the Carleton parking webpage at <https://carleton.parkadmin.com/>

**Objective:** Exchange information on repointing/repair mortar activities.

**10:00** Welcome and introductions
