DEFINITIONS

In this Agreement, the pronouns “they/them/their” are used to denote persons of any gender both singular and plural.

i) A full-time continuing employee works an average of forty (40) hours in a week;

ii) A part-time continuing employee works normally less than forty (40) hours per week but a minimum of twenty-four (24) hours per week.

Term Employee is an employee appointed by the Vice-President (Finance & Administration) or their designate to perform work in an established term position which has been designated by the Employer as non-continuing in nature for which a beginning and termination date is specified for a period of normally not less than four (4) months and normally not more than one (1) year, but can be renewed for an additional year with the agreement of the Employer and the Union.

Notwithstanding the above, the Employer may extend the appointment of a term employee who is replacing a continuing employee in a continuing position who is on approved leave until such time as the continuing employee returns to the position.

i) A full-time term employee works an average of forty (40) hours in a week;

ii) A part-time term employee works normally less than forty (40) hours per week but a minimum of twenty-four (24) hours per week.

Term Position is one which is non-continuing in nature and which is established for normally a one (1) year period. The position can be extended for an additional year with the agreement of the Employer and the Union.
Casual Employee is an hourly paid employee in a non-established position whose terms and conditions of employment follow the Employment Standards Act. Casual employees shall be entitled to vacation pay of four (4) percent of gross earnings on each pay and to statutory holiday pay in accordance with the Employment Standards Act, if not otherwise specified within the Collective Agreement.

Student Safety Patroller Employee is a casual employee who is an active Carleton University student, who is registered in a minimum of six (6) courses in a degree program in an academic year. This minimum course requirement may be waived at management’s discretion. The Employer will endeavour to schedule each member a minimum of 12 hours per week. The Employer shall accommodate the student’s academic requirements including the reduction of hours if requested by the Employee. If a Student Safety Patroller requests a reduction in hours, the range in hours shall not apply. A Student Safety Patroller must possess a valid Security Guard license.

For the purpose of this Agreement, working days shall not include Saturdays, Sundays or statutory holidays.

Throughout this Agreement, the term working shifts is understood to include all days that fall under the employees scheduled days of work.

**ARTICLE 1 - RECOGNITION**

1.01 The University recognizes the Ontario Public Service Employees Union as the sole and exclusive Bargaining Unit Agent with respect to all matters covered by this Agreement for all employees of Carleton University, Campus Safety Services, Patrol Services, in the City of Ottawa, save and except Training, Investigation and Case Manager, Community Safety Coordinator, Shift Managers, and persons above the rank of Shift Managers or any other employee included in another bargaining unit.

1.02 By the nature of their duties and by their solemn oath, Special Constables covered under this Agreement are bound faithfully to perform their duties subject to the Memorandum of Understanding with the Ottawa Police Services Board, notwithstanding the existence or non-existence of a Collective Agreement.

The parties to this Collective Agreement intend that it shall not limit or impair the continuing faithful performance by the employees of the duties as aforesaid.
ARTICLE 2 - NO DISCRIMINATION OR HARASSMENT

2.01 (a) The Employer and Union shall not discriminate against an Employee because of membership or activity, or non-membership or lack of activity in the Union, or the exercise of their lawful rights or with respect to terms or conditions of employment on the grounds of race, creed, ethnic origin, citizenship, colour, age, sex, sexual orientation, marital status, family status, religion, nationality, ancestry or place of origin, political affiliation, disability as defined in the Ontario Human Rights Code.

(b) The Employer, the Union and the Employee recognize the duty of accommodation and their responsibilities under the Ontario Human Rights Code.

2.02 Occupational Health and Safety Act of Ontario

The Employer, the Union and the Employee agree to observe the provisions of the Occupational Health and Safety Act of Ontario and its regulations as amended from time to time, including workplace violence and harassment. Workplace harassment shall include personal and sexual harassment.

3.01 The University and the Union are committed to equal opportunity in employment for women, men, Aboriginal peoples, persons with disabilities and persons who are, because of race or colour, in a visible minority in Canada.

ARTICLE 4 - MANAGEMENT RIGHTS

4.01 The Union acknowledges that it is the exclusive function of the Employer to:

a) maintain order, discipline and efficiency;

c) establish and enforce rules and regulations, not inconsistent with the provisions of this Agreement, governing the conduct of the employees; and

d) generally, to manage and operate Carleton University.
ARTICLE 5 – NO STRIKES, LOCK OUTS

5.01 In view of the orderly procedure for settling grievances, and following the signing of this Agreement, the Employer agrees that it will not cause or direct, during the term of this Agreement, any lockout of its employees and the Union agrees that, during the term of this Agreement, there will be no strike or other collective action which will stop, curtail or interfere with work of the Employer's operations.

ARTICLE 6 - UNION SECURITY AND CHECK OFF

6.01 As a condition of employment, the Employer will deduct a sum equivalent to the monthly dues from the first pay due to such employee in each calendar month, during the term of this Agreement. The amount of the regular monthly dues shall be those authorized by the Union, and the Director of Finance of the Union shall notify the Employer at least one month in advance of any changes therein and such notification shall be the Employer's conclusive authority to make the deductions specified. It is agreed that the rate structure of the monthly dues requested shall not require deductions which are incompatible with the Employer payroll system.

6.02 In consideration of the deducting and forwarding of Union dues by the Employer, the Union agrees to indemnify and save harmless the Employer against any claims or liabilities arising or resulting from the operation of this article.

6.03 Dues deductions shall become effective from the date of hire. Such dues shall be forwarded to the Accounting Department at 100 Lesmill Road, North York, Ontario M3B 3P8, no later than the fifteenth day of the month following that month in which deduction is taken along with a list of employees from whom deductions were made, such list to show name and amount deducted.

6.04 The Employer agrees to include the annual total of dues deducted on each employee's T4 slip.

ARTICLE 7 - UNION REPRESENTATION

7.01 The Employer agrees to recognize Union Stewards. The Union will notify the Employer of the names of Union Stewards in advance of them being recognized by the Employer.

7.02 It is understood and agreed that Union Stewards have duties to perform as employees and that, if it is necessary to investigate a grievance or attend a grievance hearing during working hours, the Steward will not leave their duties without first obtaining the permission of a Shift Manager. The Steward will be required to request leave in writing from a Shift Manager before leaving their duties.
and will notify the Shift Manager in writing on returning to duties. Such requests for leave shall be considered based on operational requirements. It is understood and agreed that operational requirements may necessitate the Steward to return to duties at any time. Employees attending such meetings shall not incur any loss of pay or benefits. For the purposes of this article, the definition of “writing” includes written letter or electronic mail.

7.03 Labour Management Committee

The Employer and the Union agree to the formation of a Labour/Management Committee for the purposes of discussing matters of mutual interest. Meetings shall be convened upon mutual agreement of the parties. Meetings shall normally be held at least quarterly and alternately co-chaired by one (1) member of each party. Minutes of meetings will be taken and signed by both parties.

The committee shall be comprised of three (3) representatives selected by the Union and three (3) representatives selected by the Employer, plus guests invited by either party as long as the other party has been notified in advance.

The Committee shall not have the power to modify, alter, or interpret the Collective Agreement or deal with grievances.

Committee members attending such meetings shall not incur any loss of pay or benefits. Committee members attending such meetings during their regularly scheduled day off shall be compensated in time off at straight time for the duration of the meeting. The Employer and the committee member will schedule the time off within the next two (2) shift cycles at a mutually agreed time provided that no overtime is incurred.

7.04 Negotiating Committee

The parties agree that there will be a Negotiating Committee comprised of three (3) representatives selected by the Union, plus the Union staff representative as the bargaining agent, and representatives selected by the Employer.

Employees attending negotiation meetings shall not incur any loss of normal pay or benefits.

7.05 The Employer agrees that a staff representative of OPSEU may enter the workplace and speak with members of the Union during working hours provided advanced notice is given to the Shift Manager or the Assistant Director. Access to certain areas may be restricted for security reasons. It is understood that operational requirements will take priority at any given time.
7.06 Health and Safety Committee

The Employer recognizes a Union representative will be a member of the Joint Health and Safety Committee. If a committee member is required to attend a Joint Health and Safety Committee at any time other than their scheduled shift, the committee member shall be compensated at the rate of one time and one-half (1 ½) for a minimum of four (4) hours.

ARTICLE 8 - DISCIPLINE

8.01 The Employer shall not discipline or terminate an employee without just cause.

8.02 The Employer and the Union recognize the value of progressive discipline with the purpose of being corrective in application. However, the Employer reserves the right to impose any discipline it deems as appropriate in any particular given circumstance.

8.03 Employees shall have the right to the presence of a Union Steward when formal discipline may be imposed. Employees shall be made aware in advance of any meetings that may involve discipline and their right to Union representation. It is the employee’s responsibility to arrange representation; where a Union representative is not available within three (3) working days of notification of the employee, the Employer shall be entitled to conduct the meeting in the absence of the Union. The meeting will be rescheduled if the Union designate is unable to attend due to operational requirements.

Designated Union representatives shall receive their regular pay for all hours while attending meetings on duty.

8.04 Verbal and written warnings shall be removed from Student Safety Patrollers’ personnel files after six (6) months of active employment from date of being filed provided that the employee’s record has been discipline free for that six (6) month period.

Disciplinary action such as suspensions shall remain on file for six (6) months and then will revert to a written warning for a further (6) months if there has been no reoccurrence on behalf of the employee.

Student Safety Patrollers who leave the program and have disciplinary action on their file can apply to have it removed.

8.05 All discipline issued to employees shall be in writing with one (1) copy filed, one (1) supplied to the individual concerned, and one (1) copy to the Union.
ARTICLE 9 – COMPLAINT AND GRIEVANCE PROCEDURE

9.01 Complaint Stage

An employee having a complaint arising out of the interpretation, application, administration, of the Collective Agreement, will first take up the complaint within seven (7) working days after the occurrence of the matter which is the subject of the complaint with their manager. It is understood that an employee has no grievance until they have first given their Manager an opportunity to adjust a complaint. The Manager shall have seven (7) working days to seek advice and information and to communicate a response to the employee.

For the purposes of this article, the definition of “writing” includes written letter, facsimile, or electronic mail.

Grievance Procedure

9.02 Step One

Failing satisfactory settlement under Article 9.01, the employee may submit a grievance in writing within seven (7) working days of the decision to the Director, University Safety or designate. A Grievance Form shall include the nature of the grievance, the section or sections of the Agreement which are alleged to have been violated, the remedy sought, and employee and Union representative signatures. The Director, University Safety or designate and the employee shall meet to discuss the grievance within seven (7) working days. The Director, Campus Safety Services or designate shall give their answer in writing, within seven (7) working days after the grievance meeting.

9.03 Step Two

If the grievance is not settled at Step One, the grievance may be referred by the Union to the Assistant Vice-President, Human Resources or designate within seven (7) working days of receiving an answer in writing from Step One. A meeting shall be arranged by Human Resources with a representative of the Union within seven (7) working days in order to resolve the dispute. The Assistant Vice-President, Human Resources shall reply in writing within seven (7) working days.

9.04 Individual Grievance

Any dispute affecting one employee constitutes an individual grievance.

9.05 Group Grievance

Any dispute affecting a group of employees which is taken up on their behalf by
the Union constitutes a group grievance.

9.06 Policy Grievance

Should any difference arise between the Employer and the Union as to the interpretation, application, administration or alleged violation of the provisions of this Agreement affecting either the Employer or the Union as such, or the employees as a whole, both the Union and the Employer shall have the right to file a grievance at Step Two. This procedure shall not be utilized to circumvent a grievance which should properly be brought as an individual or group grievance.

A grievance of the Employer or a Policy grievance shall be submitted to the Assistant Vice-President, Human Resources, or to the Union Representative in the case of an Employer grievance within seven (7) working days of when the incident giving rise to the grievance would reasonably have been known to the Union or to the Employer.

9.07 Suspension/Discharge

In the case of suspension or discharge, a grievance shall be introduced at Step Two of the grievance procedure within seven (7) working days after receipt of written notification of the suspension or discharge.

9.08 Time Limits

Saturdays, Sundays and paid holidays will not be counted in determining the time within which any action is to be taken or completed under the grievance, arbitration or job posting procedures. Time limits may be extended by mutual agreement in writing between the parties hereto.

The Employee shall have the right to the presence of a Union Steward at any stage of the grievance procedure, including the complaint stage.

ARTICLE 10 - MEDIATION/ARBITRATION

10.01 Prior to referring a grievance to arbitration, the parties will discuss the possibility of mediation, using a mutually agreed-upon mediator, in the interests of resolving disputes as early as possible. The Union or the University may withdraw from the mediation process on a without prejudice basis to either party at any time, and resume the grievance process.
10.02 Arbitration Procedure

Notice of Intention to invoke the Arbitration procedure by either party shall be given in writing within ten (10) working days of the outcome of Step Two of the grievance procedure, but not thereafter. If Notice of Arbitration is not given within the ten (10) working days, the grievance shall be deemed settled.

The Notice of Intention to proceed to arbitration shall contain the details of the grievance, a precise statement of the matter in dispute, and a statement of the actual remedy sought by the party from an Arbitrator.

10.03 The matter shall be referred to a single Arbitrator agreed to by both parties. If within fifteen (15) working days the parties have not reached an agreement regarding the nomination of a single Arbitrator, the appointment of the Arbitrator shall be made by the Minister of Labour for Ontario upon the request of either party.

The parties may, by mutual agreement, agree that the grievance be referred to a Board of Arbitration.

The Arbitrator shall hear and determine the difference or allegation and shall issue a decision, and that decision shall be final and binding upon the parties and upon any employee(s) affected by it.

10.04 No person shall be selected as Arbitrator who:

(a) is acting, or has within a period of six (6) months preceding the date of their appointment acted in the capacity of solicitor, legal advisor, or counsel to either of the parties; or who

(b) has any pecuniary interest in the matters referred to them, as the case may be.

10.05 In no event shall the Arbitrator have the power to alter, modify or amend this Agreement in any respect.

10.06 Each party will equally share the fees and expenses of the Arbitrator. Employees who are called as witnesses at arbitration hearings shall be given release time from their regular duties with no loss of compensation or benefits. Each party shall bear the expenses of its representatives and participants and for the preparation and presentation of its own case.

10.07 No matter may be submitted to Arbitration which has not been properly carried through all the requisite steps of the grievance procedure.
ARTICLE 11 - PROBATIONARY EMPLOYEES

11.01 All new continuing and term employees are required to successfully complete a probationary period of twelve (12) months of continuous service. Interim written evaluations will be conducted approximately quarterly, the results of which will be provided to the employee. The final written evaluation will be conducted at twelve (12) months' continuous service at which time the Employer will confirm the employee in their position or terminate the employee.

The Employer may, with the agreement of the Union, extend the probationary period if the employee requires more training to meet job expectations.

If the employee satisfies the conditions of probation earlier than twelve (12) months, the Employer may confirm the successful completion of probation at any time between six (6) and twelve (12) months. Following probation, seniority shall date back to the employee's date of hire in the continuing or term position.

Notwithstanding the above, the probationary period for new continuing and term employees in the position of Communications Operator will be six (6) months of continuous service with an interim written evaluation at approximately three (3) months and a final written evaluation at six (6) months.

An employee must successfully complete their probationary period before they are eligible for consideration of another position, unless it is in the Employer’s interest to consider them for transfer.

The Employer may discharge an employee at any time during the probationary period, without cause and at the sole discretion of the Employer, unless the discharge was discriminatory, arbitrary or in bad faith.

11.02 Special Constable Status

A probationary employee appointed initially as a Campus Safety Officer must be able to qualify for and be granted Special Constable designation within the twelve (12) month continuous service period; otherwise, their employment will be terminated. Should the probationary employee be granted Special Constable designation after six (6) months but prior to twelve (12) months, the employer reserves the right to continue the probationary period for the full twelve (12) months. Should such designation be delayed, the Employer may with notice and explanation to the Union, extend the probationary period pending the granting of said designation.

The Employer will endeavor to ensure all necessary training is provided to the employee at the first opportunity.

Should an employee's Special Constable appointment be revoked, or not renewed
for whatever reason by the provincial Ministry or the Ottawa Police Services Board, their employment may be terminated upon review by the employer. In the event that a Special Constable’s appointment is suspended by the provincial Ministry or the Ottawa Police Services Board, the employee may be suspended with pay for the duration.

Nothing in this provision shall be interpreted such as to prevent the Employer from unilaterally terminating the Special Constable agreement with the Ottawa Police Services Board.

11.03 Where the Employer has reclassified a position downward, the employee shall be placed on the pay grid in the new classification at the applicable pay rate. The employee’s salary shall be maintained at the employee’s former pay rate.

Where the reclassification is as a result of actions or directives external to and beyond the control of the University, or the University has made the decision to terminate the Special Constable agreement with the Ottawa Police Services Board, the University agrees to consult with the Union around the ongoing status, wages and transition plan for the affected Special Constables. The wages of affected employees will remain the same for a minimum period of six (6) months.

ARTICLE 12 – SENIORITY

12.01 The Employer agrees to observe the seniority of the employees in connection with promotions, demotions, lay-offs, and recalls insofar as it is practicable to do so, providing other qualifications are equal. Promotions to supervisory positions outside of the bargaining unit shall not be subject to the provisions of this Agreement.

(a) Seniority, as referred to in this Agreement, shall mean the length of continuous service a continuing or term employee has with the Employer within this bargaining unit.

(b) The Employer agrees to observe the seniority of Student Safety Patrol (SSP) employees for the purpose of lay-off and recall, within their respective employee pool.

12.02 Accumulation of Seniority

Seniority shall accumulate in the following circumstances:

(a) when actually at work;

(b) when absent due to approved vacation, or holidays;
(c) to the extent that the employee is covered by the sick leave provisions of the Collective Agreement;

(d) during the first one-hundred and twenty (120) days of a leave of absence; and

(e) while on pregnancy/parental leave.

12.03 Loss of Seniority

An employee shall lose seniority if they:

(a) voluntarily quits the employ of the University;

(b) is dismissed with just cause;

(c) is absent for reason of illness or injury for more than twenty-four (24) months;

(d) has been laid off for more than one (1) year;

(e) accepts gainful employment while on a paid leave of absence without first obtaining the consent of the Employer, to be confirmed in writing;

(f) fails to return to work within ten (10) days following the termination of an authorized leave of absence without a reason satisfactory to the Employer;

(g) following a layoff, fails to advise the Employer within five (5) working days of receipt of notice to return to work, of their intention to return to work or fails to report for work on the date and at the time specified in the said notice.

12.04 Seniority List

A current seniority list will be prepared and provided to the Local President twice each year during the term of this Agreement, with one occasion being in September. The Union will have thirty (30) days to inform the Employer of any errors and/or omission to the list to be adjusted if established to be inaccurate.

ARTICLE 13 – LAYOFF AND RECALL – Full-time Continuing Employees

The Employer endeavours to provide the Union with as much notice as possible, but at least sixty (60) days, regarding reductions of staffing levels in the bargaining unit including individual lay-offs.
The Employer will consult with the Union to minimize any adverse effects of a long-term or permanent layoff (greater than thirteen (13) weeks’ duration) on employees and maximize creative approaches that meet the interests of the Employer and employees.

In the event of layoff, the Employer shall lay off employees in the reverse order of their seniority within their job classification, providing that those employees who remain on the job have the qualifications and ability to perform the work.

The parties agree that in the case of layoffs, the University would endeavour to retain fulltime continuing staff. As such, if base funding is eliminated resulting in layoffs of full-time staff, it is agreed that full time staff would be placed into any Term positions currently available within their classification, based on seniority and length of term position. The affected continuing staff member would retain all benefits of being a continuing staff member, except would be bound by the dates in the Term position they are placed in. Should they not be returned to their continuing position by the end of the Term position they will be entitled to the terms of layoff and recall outlined in this article.

Term employees displaced through this process will be managed under Article 14.

Each affected employee shall be entitled to one (1) month written notice of permanent or long-term layoff. To assist the employee in this process, layoff notices will contain all information necessary to support the decision required, as outlined below. It is further agreed that notice to both the Union and the employees may run concurrently.

If the employee to be laid off has not been given the opportunity to work the amount of time specified in the above schedule, they shall be paid in lieu of that part of the notice required in the schedule during which work was not available.

After receipt of such written notice, affected employees will have a period of up to seven (7) calendar days to indicate their choice of options as outlined below.

An employee who is subject to permanent or long-term layoff shall have the following entitlements:

(a) Accept the layoff and be placed on a recall list for twelve (12) months from the date the actual layoff begins; or

(b) Accept the layoff, receive severance pay (if applicable) according to the Employment Standards Act, and opt to receive any applicable pay in-lieu of notice.

(c) The employee may displace an employee who has lesser bargaining unit seniority within their classification, or lower paying classification, if the employee originally subject to layoff can perform the duties of such employee without training other than orientation and is eligible to work in said classification. Such orientation will not normally exceed 80 hours, but will be determined by the nature of the orientation required in each work area.
One week’s pay is equal to the average amount an employee would have received at their regular rate of pay for non-overtime work week.

Subject to the employee being able to perform the work available in the absence of training or orientation, recall shall be made in order of seniority. In the event of vacancies arising during the period of layoff, such vacancies will be used for recall.

**ARTICLE 14 – END OF CONTRACT – Term Employees**

14.01 When a Term employee’s contract ends and is not renewed, it is agreed that they will retain their rights under Article 20 for priority status to be considered for job postings for 6 months following the end of the contract.

14.02 When a Term employee’s contract is ended early other than for disciplinary or performance reasons, the employee is entitled to two (2) weeks’ paid notice and one of the following options:

1. Additional notice in accordance with the following schedule:
   
   (a) Upon completion of the probationary period and with up to two (2) years of service – one (1) week;
   
   (b) Over two (2) years of service, less than five (5) – two (2) weeks;
   
   (c) Five (5) years of service or more - one (1) week for each year of service beyond four (4) years of service to a maximum of eight (8) weeks. (Severance also payable for those in this category as per the Employment Standards Act.

If the affected employee has not been given the opportunity to work the amount of time specified in the above schedule, they shall be paid in lieu of that part of the notice required in the schedule during which work was not available.

Or

2. The employee can be placed on a recall list for the remainder of the original length of the term contract.

In addition, and at the conclusion of the time period identified by the employee’s choice of either option 1 or 2, it is agreed that they will retain their rights under Article 20 for priority status to be considered for job postings for an additional six (6) months.

**14.07 Change of Address**

It shall be the duty of each employee to notify and keep the Employer informed promptly of any change of address, telephone number, and e-mail. If any
employee should fail to do so, the Employer will not be responsible for failure of such notice to reach the employee.

ARTICLE 15 – JOB SECURITY

15.01 (a) No Contracting Out

There should be no “contracting out” of any job covered by the scope of this collective agreement in whole or in part during the course of this agreement. The Employer agrees to employ the services of Campus Safety Services for all security and law enforcement duties at Carleton University prior to securing services from an outside vendor.

Notwithstanding the foregoing, the Employer may contract out work usually performed by members of the bargaining unit provided it does not cause a layoff or reduction of regular working hours for current employees or in order to meet the staff complement necessary for special events.

(b) Work of the Bargaining Unit

Persons not covered by the terms of this Agreement will not perform duties normally assigned to those employees who are covered by this Agreement except in situations where an appropriately classified employee is unavailable to complete the required work.

Nothing in this clause shall limit those designated as Special Constables from exercising their authority as defined in the Memorandum of Agreement with the Ottawa Police Services Board.

ARTICLE 16 - HOURS OF WORK AND OVERTIME

16.01 Hours of Work

The work week shall begin on Saturday at 7PM (1900h).

The standard work week for Continuing and Term employees shall be comprised of five (5) eight (8) hour shifts and/or three (3) and four (4) twelve (12) hour shifts averaging forty (40) hours in accordance with the regular shift schedule. This shift schedule shall not constitute a guarantee of hours of work per day or of days of work per week. For clarity, the Employer may change the shift schedule to meet operational requirements upon giving notice in accordance with Article 16.02.

Hours of work for Casual employees will be aligned with the definition clause in this collective agreement.
Regular hours worked as part of the shift schedule which are in excess of forty (40) hours per week on average shall be paid out per the Leveling Agreement and considered as pensionable earnings.

Authorized time worked by an employee in excess of their regularly scheduled work day or work week shall be overtime and paid at one and one-half (1½) times the regular hourly rate of pay to the nearest half-hour. Total hours worked per shift shall not exceed sixteen (16) continuous hours, except in emergency situations.

Where additional overtime shifts (or call backs) are available for Communications Operator positions, the Employer shall offer extra shifts to available Communications Operators first in accordance with seniority.

Where additional shifts are available for Student Safety Patrollers, the Employer shall endeavour to assign shifts in an equitable manner.

16.02 Shift Schedules

Shift schedules are posted on-line and updated as required. Posting of schedules shall not be less than fifteen (15) weeks' notice. The Employer may change the shift schedule of an employee upon giving notice of four (4) days or more. If less than four (4) days' notice is given, the Employer shall pay the employee a premium of half the hourly rate for the portion of the shift that has been changed in addition to the normal rate of pay for the shift. The Employer will seek to obtain the agreement of the Employee before changing their schedule; however, the Employer reserves the right to change schedules in the event that there is no mutual agreement.

Hours of work can be modified without premium or penalty if Employer and Employee mutually agree to the change. Requests will not be unreasonably denied.

Student Safety Patrollers' schedule shall be posted, at a minimum, of two (2) weeks in advance.

16.03 Shift Relief

It is agreed that employees on shift shall not leave their place of work until properly relieved by another employee or until authorized to do so by their Manager.
16.04 Mutual Shift Exchange

It is agreed that an employee may relieve another employee of their regular scheduled shift on the basis of mutual agreement and with the consent of the Manager. Any exchange of proposed shifts must be submitted to a Manager for approval with details as to the shift(s) being relieved and repaid. Such request shall not be unreasonably denied. No overtime will be paid to the employee(s) working a mutual shift exchange.

16.05 Rest and Eating Periods

All employees will be permitted a rest break of up to thirty (30) minutes per shift, except in cases of emergency. This rest break may be broken into two (2) or more shorter breaks as circumstances permit.

In March of every year, annual reconciliation of total hours owed/earned will be discussed and paid out or assigned at straight time.

Library Facilities

Employees shall continue to enjoy borrowing privileges at the University Library. All employees with five (5) years’ service upon retirement shall continue to enjoy borrowing privileges at the University Library.

Tuition Fees

(a) Continuing and Term employees shall be entitled to register for credit courses which are funded by the Ontario Government free of tuition from the date of employment with the University, but will be required to pay all supplementary fees.

(b) This benefit will remain in force so long as its continuance is not prevented by the Ministry of Colleges and Universities, and as long as the Ministry continues to fund students covered by this Article.

(c) From date of appointment, the employee’s spouse and dependent children shall be entitled to register for credit courses, free of tuition, but they will be required to pay all supplementary fees.

(d) If an employee, employee’s spouse or dependent is unsuccessful in or withdraws with academic penalty from the course(s) for which she/he registers, the next course must be successfully completed at her/his own expense in order to re-establish this privilege.

(e) For the purpose of this Article, a dependent is defined as a natural/adopted child of the employee who qualifies for dependent status under the Income Tax Act, in the years in which the free tuition is requested, or a child who is twenty-six (26) years of age or younger. This age restriction does not apply to a child who remains a dependent under the provisions of the Income Tax Act due to a disability for which a disability tax credit certificate has been issued.

(f) Employees receiving benefits under the Long Term Disability Plan, their eligible spouses and dependents, the eligible spouses and dependents of employees who die in service, and employees who retire under the terms of the Carleton University
Retirement Plan and their eligible spouses and dependents shall also continue to enjoy the benefit of free tuition.

(g) All Tuition waiver requests must be submitted to Human Resources by the last day for a fee adjustment for the academic term as outlined in the Academic Dates and Deadlines located on the University Registrar’s website.

ARTICLE 28 - CLOTHING AND EQUIPMENT

28.01 (a) The Employer shall furnish the necessary pieces of clothing and any protective equipment required by uniformed Special Constables and Campus Safety employees to perform their work functions. Uniformed employees shall wear and use such approved clothing and equipment appropriately while on duty. Clothing and equipment shall be replaced when damaged or worn out and requests for replacement of unserviceable items shall not be unreasonably denied. The Employer will ensure that each officer will be outfitted in uniform appropriate to the season and provided with any protective equipment required to perform their assigned duties.

(b) Bullet/stab resistant vests will be replaced after five (5) years of issue/wear.

(c) Special Constables, Campus Safety Officers, and Auxiliary Officers assigned to the Bike Patrol Unit will be issued the uniform and required protective equipment necessary to perform this duty.

(d) Duty (winter) boots and (summer) shoes may be replaced up to once per annum for each uniformed employee, excluding Student Safety Patrollers.

(b) Student Safety Patrollers shall be responsible for providing their own boots/shoes for work duty - boots/shoes must conform to the Department uniform standard.

(c) Student Safety Patrollers shall share use of uniform jackets, duty belts, and
related duty equipment. The Employer will ensure that shared uniforms are kept in a serviceable condition.

28.03 All items of uniform and equipment on charge to an employee shall be returned to the Employer on termination of employment.

An employee found to be misusing or unable to satisfactorily account for item(s) of uniform and equipment on their charge may be held financially liable for replacement or repair of such item(s).

Plain clothes damaged in the line of duty will be replaced by the Employer.

ARTICLE 30 - EMPLOYEE FILES

30.01 An employee shall have the right to examine their employee file during normal business hours. Examination of such files may be made at a mutually convenient time to the Employer and the employee following a written request from the employee to the appropriate Human Resources office.

ARTICLE 31 – LEGAL INDEMNIFICATION

31.01 (a) Subject to the other provisions of this article, an employee charged with and finally acquitted of a criminal or statutory offence because of acts done in the attempted performance in good faith of their duties shall be indemnified for the necessary and reasonable legal costs incurred in the defense of such charges.

(b) Notwithstanding (a) above, the Employer may pay necessary and reasonable legal costs of an employee pleading or being found guilty of an offence as described in (a), where the court, instead of convicting the accused, grants them an absolute discharge, provided that the Employer considers that the member’s actions in the course of performing their duties were motivated by an intent to do their lawful duty, that such actions do not
constitute any of the actions described in (c) hereof, and that such indemnification will not in the opinion of the Employer reduce respect for law enforcement to the community.

(c) Notwithstanding (b) above, the Employer may refuse payment where, in the opinion of the Employer, the actions of the employee from which the charge arose amounted to a dereliction of duty or abuse of their powers as an employee.

(d) Where an employee intends to apply to the Employer for indemnification hereunder, the employee shall, within thirty (30) days of being charged, apply in writing to the Employer for approval to retain counsel and approval of the counsel to be so retained.

(e) For the purposes of this provision, a member shall not be deemed to be "finally acquitted" if, as a result of a charge laid, they are subsequently found guilty of, or pleads guilty to, other charges arising out of the same incident or incidents, but nothing in this clause will disentitle the member to consideration under clause (d) hereof.

(f) Where an employee is a defendant in a civil action for damages because of acts done in the attempted performance in good faith of their duties, as determined by the Employer, they shall be indemnified for the necessary and reasonable legal costs incurred in the defense of such an action and the Employer, at its sole discretion, shall have carriage of the defense. Where the employee intends to apply to the Employer for indemnification, they shall do so within thirty (30) days of the commencement of the action.

(g) Notwithstanding (f), the Employer may refuse payment where, in the opinion of the Employer, the actions of the employee from which the civil action arose amounted to a dereliction of duty or abuse of their powers as an employee.

(h) An employee whose conduct is called into question in the course of an inquiry under the Coroner's Act because of acts done in the attempted performance in good faith of their duties as an employee, shall be indemnified for the necessary and reasonable cost incurred in representing their interest in any such inquest and the Employer, in its sole discretion, shall have carriage of the defense.

(i) For the purposes of this provision, "necessary and reasonable legal costs" shall be based on the account rendered by the solicitor performing the work, subject initially to the approval of the University General Counsel and, in the case of dispute between the solicitor doing the work and the University General Counsel, assessment of the account pursuant to the rules of civil procedure of Ontario.
(j) For greater certainty, employees shall not be indemnified for legal costs arising from the actions or omissions of employees acting in their capacity as private citizens.

(k) Where the Employer elects to provide legal counsel to defend an employee in any legal proceeding covered by this article, the cost of such counsel is the Employer's responsibility irrespective of the outcome of the proceedings and neither the employee nor the Employer may rely on the other provisions of this article.
ARTICLE 32 - TERM OF AGREEMENT

32.01 This Agreement shall commence on the date of the ratification of the Agreement and continue in force and in effect until May 31, 2024, and thereafter shall automatically renew itself for periods of one (1) year unless either party notifies the other party in writing within the period of ninety (90) days prior to any expiry date that it desires to amend or terminate this Agreement.

32.02 If, pursuant to such negotiations an agreement is not reached on the renewal or amendment of this Agreement, or the making of a new Agreement prior to the current expiry date, this Agreement shall continue in full force and effect until a new Agreement is signed between the parties or until conciliation proceedings prescribed under the Ontario Labour Relations Act have been completed, whichever date should first occur.

Critical Incident Cool-Down

The Employer, Union and Employee agree they have a shared responsibility to staff mental health and wellness, as well considering operational readiness for the safety of employees and the community they serve. This Letter of Understanding is meant to formalize our current practice when an employee is involved in a critical incident. As a result, should staff be involved in a critical incident on shift they are debriefed as soon as practicable post-acute event by a Manager or designated Officer in Charge (OIC) in consultation with a Manager.

Pending the outcome of the initial debrief, a Manager or designated OIC in consultation with a Manager, may send an employee home with pay when appropriate for the remainder of their shift. If no manager is available by phone or in person, the OIC is permitted to make an appropriate decision in regards to sending an employee home.

At the commencement of the employee’s next scheduled shift they are to report to their Manager for a formal debrief of the incident, which will also serve to assess the employee’s operational readiness. Should the next scheduled shift commence within twenty-four (24) hours of the initial incident the employee may, with notice to the employer as soon as practicable, request to receive their formal debrief by phone. The time needed to complete the formal debrief during an employee’s regularly scheduled shift will also be paid for without the use of any leave bank.

If the employee requires medical attention or is unable to attend work due to the effects of the critical incident, the employee will advise their Manager and have the incident reported through the Workplace Safety and Insurance Board process. Any missed time due to the effects of the critical incident beyond the day of the incident are to be reported through WSIB.

Should staff experience delayed negative effects as a result of involvement in a critical incident on shift that they did not experience acutely post event, they are to report to a Manager, or designated OIC, for assessment.

Duties and Responsibilities of Sergeants

The parties agree that there is a mutual desire to create a new job classification of Sergeant (Special Constable) in Campus Safety Services. Both parties agree that the intent of this position is to be one rank higher than a Special Constable, would have non-managerial responsibilities and those duties associated with a 2IC role. Should the Sergeant and Shift Manager both be unavailable, then the 2IC premium would be assigned to another officer. They further agree that the intent would be that there would be one Sergeant per team and that it is not intended to be in addition to the current staffing compliment. Both parties agree to meet within 6 months from ratification of this agreement, to discuss what the duties and responsibilities of a newly created job classification of Sergeant (Special Constable) could be. The Employer will post this position and add $3.06 to the step 4 hourly rate of the Special Constable wage band to create the new Sergeant wage rate.

Job Sharing Agreement

The parties agree that for reasons of retention and increased healthy work life balance and to support flexible work arrangements for employees at certain points in their career, employees may choose to enter into a job sharing agreement to be offered by the employer.

The parties agree to develop a job share program that will include the following:

Job sharing can occur where there is agreement between the employees who wish to job share, the Union, and the Employer.

A maximum of two (2) job sharing arrangements can be in place at any one time.

It is agreed that job sharing results from two full-time continuing employees with more than 1 year of service to the university, sharing a full-time position and as such, the position being shared shall continue to be identified as a full-time position, being split into two (2) part-time continuing positions for the duration of the job share.

Employees in a job sharing arrangement must share the same classification.

Employees applying for a job sharing agreement must commit to such agreement for a minimum of twelve (12) month period.

In the event that one employee in the job-sharing arrangement leaves that arrangement on a permanent basis for any reason, the remaining employee would first be offered the opportunity to revert to the position on a full-time basis.

If the remaining employee declines the full-time opportunity, the position may be posted internally and advertised as a job sharing vacancy, subject to the provisions of this Collective Agreement.

Failing successful filling of the job sharing position, the remaining employee will be required to revert to full-time. The employee will be given one (1) month’s advance notice of the date upon which they will be required to resume the full-time position.

Following the conclusion of the first job sharing agreement, the parties agree to meet and
review the language in this MOU to update or adjust the language in the MOU and to determine ongoing feasibility.

The job-sharing arrangement would be based on a 50/50 split of hours over a two-week cycle. Compensation would be prorated on the basis of the employer paying a 50/50 split of what would be paid to one full-time employee during the same cycle. Any levelling agreement would be applicable in principle as if it were applied to a full-time employee. LTD and life insurance would be pro-rated based on regular hours of work as per the provisions of the benefits plan.

Health and Dental benefits will be offered on the basis of the employer paying for no more than what would be paid for one full-time employee. The job sharers would pay the difference. Each individual would have the option to waive the Health and Dental benefits as long as they can prove they have benefits coverage through a spouse plan.

All other benefit and leave would be prorated based on the employer providing no greater benefit than what would have been provided for one full-time employee.

Any OT work assigned to those on a job-sharing arrangement would not be paid time and a half until after they have surpassed forty (40) hours per week (average based on a two-week cycle) or their normal scheduled hours in a day whether that be an eight (8) hour or twelve (12) hours shift.

Working Group Short Term Sick Leave Program

The parties agree to establish a Joint Union and Employer committee that will meet within twenty-four (24) months from the Union’s ratification of this agreement to discuss a change to the current short term sick leave program as per Article 19 in the Collective Agreement. The Employer agrees to research and provide the union with an estimated cost for a short-term sick leave program in order to determine the feasibility of changing from the existing sick leave program. Any change that is not cost neutral to the Employer will be required to be negotiated through the collective bargaining process.

The parties further agree that for the length of this agreement to pilot an alternative methodology to the administration of the current sick leave process as follows:

Sick leave credit(s) for full-time continuing and term employees are equal to twelve (12) hours for each calendar month or one hundred and forty-four (144) hours per year. Sick leave credit(s) that an employee is expected to earn during a year will be deposited into their sick bank at the beginning (January 1st) of each year. New employees in their first year of employment shall be credited with sick leave credit(s) on a pro-rated basis based on the number of months they are expected to work in the first year of employment. New employees will only receive sick leave credit for the month in which they were hired if they were hired prior to the 15th day of the month. Employees can accrue a sick leave bank up to a maximum balance of 1040 hours. Part-time employees shall accrue sick leave credit on a pro-rated basis according to the hours of work.

With the employer providing the annual amount of sick leave credit(s) at the beginning of each year before those credit(s) are earned, upon termination of employment for any reason, employees will repay the Employer for any sick leave credit(s) used in excess of the amount of sick leave credits they earned. The Employer may withhold an amount equal to the overpayment of sick leave earned from the employee’s final pay-cheque if the employee has not made other arrangements with Employer to repay the amount owing.

Levelling for those that work 12 hour Rotational Shifts

The parties agree that there is a mutual desire to look at how to maintain a 40-hour average work week with shift schedules that would be compliant with Employment Standards in Ontario, while creating a framework that would administratively allow for a simpler application for pay purposes. Employees as referenced in this Letter of Understanding means those that work 12-hour rotational shifts.

Both parties agree that given the current state of a 12-hour shift schedule of: 2 days on, 2 nights on, 4 days off the organization requires a formalized levelling agreement.

As it currently works, there is a levelling agreement that normally adds 16 hours to an employee’s “in-lieu” time bank, or provides them with the option to be paid out for any additional hours every 8 weeks to compensate for the scheduling while maintaining the 40 hour work week average.

PHASE 1:

Both parties agree to a 12-month pilot that would include the automated inclusion of 16 hours of pay for each 8-week levelling period during the first 6 months. This will terminate the option for staff to choose to take levelling “in-lieu” time. During this phase the organization will review options to move the 8-week payment to a regular payment on every pay-cheque.

PHASE 2:

Upon the successful conclusion of Phase 1 and in an effort to support simplicity of administration, the employer will move to compensating at 42 hours per work week. This change will commence from the start of the next 8-week levelling period after the initial 6-month review of Phase 1.

Any issues raised will be brought to Labour Management for discussion. This pilot will be reviewed at the conclusion of the 12-month period through Labour Management.

Provided the successful completion of this 12-month pilot, the employer will continue to pay employees on a 42-hour work week to account for levelling, superseding the applicable language in Article 16.01 for the duration of this agreement.
Should the current 12-hour shift pattern be altered in any way, this would necessitate a review and possible amendments at that point in time. Nothing in this letter of Understanding should imply any change to the current state of employees working a 40 hour average work week.

Should this pilot be terminated for any reason the Employer agrees to recognize regular hours worked in excess of an average 40-hour work week, as per applicable language in article 16.01, to be paid out at the end of the shift cycle at straight time.

Team Resource Designation

The parties agree that retention of staff is important and providing development and growth opportunities is important for long term success of the department.

Both parties agree that the intent of this designation is to recognize and acknowledge the proficiency and leadership that experienced members on the team provide in supporting the coaching and overall development of others. Additionally, experienced members are critical to building and supporting the culture of the team and this designation acknowledges the accountability that comes along with being in an informal leadership role due to the greater depth of experience. This opportunity is available to full-time staff members in the classification of Communications Operator and Campus Safety Officer (Special Constable).

All full-time staff who have served ten (10) years or more with Campus Safety Services inclusive of any CDAs or term assignments outside the department are eligible to pursue this designation, however, attainment of this designation is not required to maintain employment. To provide clarity, applying for this designation is optional. Management will assess candidates and may grant initial designation based on the following criteria:

i) Years of service in the department (10+);

ii) Demonstrated progressive experience - i.e.: on-going personal development/training, CDA experiences, 2IC experience, coaching/training other staff; and

iii) Community engagement - i.e.: planning, running and/or supporting a departmental or university community event, serving on a departmental or university committee.

Re: No Contracting Out

Regarding Article 15.01 (a) (b), the Employer and the Union agree that due to the exceptional and unforeseen circumstances faced during the COVID 19 pandemic there will be a temporary need to contract out a specific portion of work normally assigned to employees who are covered under the Collective Agreement. This arrangement is being agreed to on a without precedent or prejudice basis.

The Employer will be permitted to use contract security guards to perform newly requested duties related to the COVID 19 pandemic that include, but are not limited to, asking medical screening questions to people attending open buildings and ensuring people are wearing masks as required by the University. The use of contract security guards to perform core functions of Student Safety Patrollers (SSP’s) is not part of this Letter of Understanding (LOU).

This Letter of Understanding shall apply from the date signed by both parties until April 30, 2022 or earlier upon mutual agreement by both parties. Any extension will be discussed and agreed to through Labour Management.
