

Vacations on a Budget

Everybody loves vacation time! It's time away with your favourite people, hopefully, doing some of your favourite things. However, vacations can be a tremendous expense to a family budget if we're not careful and we may even be tempted to put in on credit.

Join the Vacations on a Budget webinar hosted by *The Credit Counselling Society* on Tuesday, June 18th from 3:00 pm – 4:00 pm and you will learn how to:

- Name the purpose of your vacation;
- Accommodation options (B & B, hotel, camping, etc.);
- Transportation – the best ways to reduce your flight or rental car costs;
- Recognize the high cost of paying for a vacation with a credit card; and
- Much more!

Be sure to reserve your spot!
