

How to fix a bad credit score

If you are wondering how to fix your credit score in Canada or resolve some bad credit issues on your credit report, the *Credit Counselling Society** identifies common problems and solutions in the article [How to Fix Your Credit Score in Canada - Practical Steps](#).

The article addresses many common questions related to credit scores, including:

- How do missed credit card payments affect my credit card score?
- How does credit card debt affect my credit score?
- How do unpaid collections affect my credit score?
- What if I have a lot of late payments on my credit report?
