

Job Title:

CNC Wood Router Operator - Industrial Design Intern position

September 2024 through April 2025

Job Overview:

We are seeking an enthusiastic and detail-oriented candidate from the Carleton ID program to intern with us as a CNC Wood Router Operator/Programmer in the CNC Shop at The Woodsource. The ideal candidate might have prior experience in woodworking and possess strong computer/CAD skills, and be passionate about making things. Our primary focus is creating custom woodwork for our clients, so an aptitude for problem-solving, a meticulous attention to detail, and an eagerness to learn are essential for success in this role. We work on a variety of projects for varying industries, so the candidate should be adaptable and enjoy the opportunity of a new challenge and problem to solve.

Key Responsibilities:

- Efficient operation of CNC wood routers, with adherence to all safety protocols and procedures.
- Design, programming, and set-up of both production parts and one-off projects.
- Carrying out pre- and post-processing tasks including using woodshop hand tools, trim routing, edge rounding, glue-ups, sanding, assembling parts, and packaging orders.
- Monitoring and adjusting the production process to ensure optimal output.
- Ensuring the quality standards are consistently met in all finished products.
- Performing routine maintenance, troubleshooting, and necessary adjustments on the CNC wood routers.
- Collaborating effectively with team members to optimize workflow and production processes.

Qualifications:

- Prior experience in woodworking is preferred.
- Proficiency in drawing or design software would be advantageous.
- Strong problem-solving skills and ability to troubleshoot technical issues.
- Strong attention to detail and ability to perform repetitive tasks.

Working Conditions:

This is a full-time position, working Monday to Friday, from 7:30 am to 4:30 pm. It is a contract position from September 2024 through April 2025. Option to start earlier than September may be possible.

Pay:

21.40/h for 42.5h per week

Application Process:

We encourage all candidates who meet the requirements and are eager to bring their skills to our team to apply for this exciting opportunity. Application emails (with a resume attached) can be sent to theo@wood-source.com, and applicants can choose to send along a design portfolio or examples of past work if they'd like.

Join us in creating custom pieces that our clients love. Apply now!
