

Intern Industrial Designer

Do you enjoy a hands-on environment where you learn about the materials, finishes and processes involved in producing market products? Are you able to multi-task? Do you thrive on teamwork, collaboration and a fast-paced work environment? If so, we'd like to hear from you!

We have an exciting opportunity for Intern to join our highly collaborative design team in Markham, Ontario. Recent graduates or students working in an internship capacity will be considered.

Job Summary:

- Evaluate and test potential new products for future assortment considerations.
- Investigate and resolve product quality concerns.
- Collaborate with Senior Management to create and develop new products for the market.
- Work with international suppliers to facilitate manufacturing process.
- Constant review of our current product line and specify technical improvements and/or changes as necessary.

The ideal candidate will have:

- Education in Industrial Design or a related field.
- Experience using 3D CAD software (Solidworks)
- Knowledge of materials and manufacturing processes.
- Strong communication skills through sketching, Photoshop or Illustrator renders and prototypes
- Strong organizational skills and fresh creative vision with meticulous attention to detail.
- Ability to work on multiple projects at a time and prioritize accordingly meeting critical deadlines.
- Understanding of digital photography and 2D graphics (Adobe Creative Suite)
- Ability to work effectively in both a team environment and independently
- Passion for food and cooking

Company Description:

Browne & Co. is a Canadian company that services a global market with professional Foodservice and Retail House ware products. With more than 65 years in the consumer and Foodservice industry, Browne & Co. is a dependable resource and partner.

Our mission is to design, create and market value added products and to be a vital link in the supply chain from factory to customer for home and professional Foodservice applications.

We offer a competitive salary and an equal opportunity work environment.

Please send a resume and **sample work in PDF format (no larger than 5mb)** to David Chan, Product Design Manager at dchan@browneco.com.
