

Exciting opportunities at Service Canada's the newly created Client Experience Office.

Graphic Designer

Bring your design expertise to the newly created Client Experience Office and see the results of your work help improve the experience of Canadians applying for programs and services.

We are looking for an experienced graphic designer who can take data from multiple sources and depict it visually in the form of personas, journey maps and client flows. Ideally the successful candidate has:

- demonstrated graphic design experience in the CX/UX field;
- lateral thinking and data visualization skills; and
- the ability to work autonomously as well as part of a team
