

Help@Carleton

Gotta find them all!

This is the home of your student association! Info on clubs & groups plus your benefits as a Carleton student.

This centre helps you prepare your resume for job searches and has workshops on what you can do with your degree

This is the place to go loan out books, journal articles and getting help with your research papers!

This centre offers support for academic skills, offers peer study sessions and writing support.

This office supports indigenous students on campus and helps non-indigenous students know more about indigenous experiences

This centre helps you access academic accommodations for your classes and tests

- Get a signature from someone at the front desk as proof of your visit (anywhere on the corresponding square is fine!)
- Once you complete all department/office visits, go to your undergrad advisor to exchange for a prize!
