Carleton University's Canada-India Centre for Excellence, in partnership with Carleton International, is pleased to offer Carleton students a 2-week study program to India. Students will visit Mumbai, India's financial and cultural hub, and Bengaluru, India's "Silicon Valley". The program will offer students a glimpse of cultural and business side of one of the world's oldest civilizations and fastest growing large economies.

**Program Details**
- First week in Mumbai, learning about India's cultural heritage while visiting some of the most prominent and historical sites
- Second week will be in Bengaluru with in-class sessions on India's business opportunities and cultures, combined with visits to some of India's leading companies
- Carleton students will have an opportunity to network with Indian students and students from other countries

**Program Fee**
$2,500 includes:
- Airfare
- Accommodations
- In-country transportation
- Meals
- Entrance fees and guided tours

**Application Process**
- Application deadline: Students must register by February 24, 2017
- Registration form: To register, please visit: carleton.ca/india/ist/register
- To register, you must be a Carleton University student
