

Letter of Intent

Your letter of intent is an opportunity for you to share additional details about yourself and your journey. In this letter, we are looking to better understand the experiences that have led to you applying for the IESP, as well as why you believe you should be accepted into the program.

Please prepare a letter that is 750-1000 words in length (double-spaced) and answers the points listed below.

Academic History

- Why is IESP the right program for you?
- Please discuss your academic history and address any reasons why you think your previous academic record may not fully reflect your potential
- What are some challenges that you have faced in your academic journey (e.g. academic, personal, disability etc..?) How did you overcome them?
- What skills or strengths do you possess that you believe will allow you to be successful in this program?

Personal History

- What is something that you are proud of in your life? What does this say about who you are as a person?
 - What resources and/or strategies have helped you during difficult times in your life? How do you know it is time for you to use those resources or strategies?
 - What do you expect to be the biggest challenge about attending University? How will you prepare to overcome this challenge?
