DEAN'S LECTURE

THE ENVIRONMENT: PAST, PRESENT AND FUTURE – SUSTAINABILITY CHALLENGES AND STRATEGIES

Fairmont Château Laurier Hotel, 1 Rideau Street, Quebec Suite (Ottawa, Ontario)

Wednesday, November 27, 2019

The Dean's Annual Lecture Series brings together distinguished experts from Canada and abroad to share knowledge and perspectives to address issues relating to the economy, infrastructure security and resilience before an audience of university faculty, post-graduate students, government officials, civil society and private sector representatives and diplomats. The Annual Lecture Series is intended for panelists to look into their crystal balls and offer their vision on an environmental sustainability, infrastructure security and resilience challenges and solutions for the next 5 to 10 years.
