### Other Helpful Information

**Important**: The Office of Internacional Mobility is not responsible for delays in the processing of student visas as a result of students having either requested appointments late with the Consulate or having handed in their application documentation to us passed the deadline for each semester.

### About our new “hybrid” methodology

Implemented as a response to the start of the COVID pandemic, this system is now only activated temporarily or for certain courses on an exceptional basis (according to considerations made by the Faculty in question).

In general, the learning methodology in Nebrija requires **face-to-face physical presence on campus**, although this can be complemented with virtual material provided through the Blackboard Ultra online platform.
