Immigration Information

You do not need a study permit if you are coming to Canada for an exchange of less than 6 months.

If your studies are more than 6 months, you need a study permit. Application instructions for a study permit are available at the website of Immigration, Refugees, and Citizenship Canada: canada.ca/en/immigration-refugees-citizenship/services/study-canada/study-permit.html.

Most international students need a Temporary Resident Visa (TRV) or Electronic Travel Authorization (eTA) to travel to Canada.

- If you don't need a study permit, check to see if you need a TRV or an eTA here: www.cic.gc.ca/visit-visiter/en/visas. Your letter of acceptance for exchange may be used in a TRV application to explain the purpose of your visit to Canada.
