ROADMAP TO YOUR EXCHANGE

The Exchange Program allows Carleton University students to attend a partner institution abroad while paying tuition to Carleton and earning credits toward their Carleton degree. Exchange is an incredibly rewarding experience as students have the opportunity to engage in a new culture, experience their academic subject through a new lens, and develop global skills.

Students considering applying for exchange should:

- Visit the [Outgoing Exchange website](#) to learn more about the Exchange Program and to determine eligibility
- Attend an [Exchange Information Session](#) happening throughout the Fall 2022 term
- Meet with their departmental academic advisor to create a study plan
- Check out our [Stories from Exchange](#) to learn more about other students' experiences while abroad
- Research our [Exchange Partner Institutions](#) online
- Review the [International Exchange Course Equivalencies Database](#) to better understand how credits might transfer back to Carleton

The ISSO and the Exchange Team are here to support and guide you throughout your exchange journey, so don't hesitate to reach out to us!
