

WeltWeit Experience

“ Looking back on my year abroad, I can confidently say that my exchange stay in Augsburg was a life-changing experience. I loved the community environment of the city, which allowed me to practice my German and fully immerse myself in the German culture. In involving myself with the Weltweit program, I was able to learn so much about Germany while meeting new friends from all around the world. I can truly say that my time in Augsburg will have a lasting impact on my life. ”

“ I never expected that I could love Augsburg that much. Spending one year here was the best decision I have ever made. For studying, uni offers a wide range of German courses and I also had the chance to get to know more about different fields of American law. All the memories here with friends are irreplaceable and Augsburg will always stay in my heart. Thank you so much, Weltweit Office, you kindly offer so much help and not to mention the awesome excursions and country night events. ”
