**CALENDAR COURSE DESCRIPTION**

Introduction to interdisciplinary research and analysis in law and legal studies; finding and analyzing primary and secondary legal sources; introduction to the interrelationship between theory, practice and research. Students are strongly encouraged to take this course in the second year of their program.

**COURSE DESCRIPTION:**

The Law Program at the Department of Law and Legal Studies at Carleton University is firmly grounded in a “legal studies” approach which situates law in its social, economic, political and historical contexts. As such, courses focus not just on ‘what the law is’ in a particular area but also on a range of academic and practical considerations: How does the law ‘as it is’ reflect particular (normative) visions of society and distributions of power within it? How and why does law change? How is the law ‘on the books’

operationalized (e.g., by the police or business-people) and experienced by ordinary people in everyday life? How do the narratives of law (e.g., judicial decisions) communicate cultural meanings in our society? How do law and legal processes interact with other institutions in our society? Who creates law – and is all ‘law’ (in the sense of regulation of conduct) formally prescribed law?

Engaging with questions such as these requires that students are able to deploy a range of effective research skills and strategies. The Department offers two research courses to assist students to master their law discipline. This course, Laws 2908, introduces students to legal materials in legal studies research. By this we mean judicial decisions (cases), legislative instruments (statutes and regulations), government documents (including Parliamentary materials and policy), and secondary sources published in academic journals. It also addresses ‘legal method’ in comprehending and working with these materials. This course is compulsory for all students majoring in a Law or Law Honours programs. A second course, Laws 3908, offered at the 3000 level, introduces students to a variety of interdisciplinary approaches, including the use of social science research sources and methods in legal studies and more advanced consideration of theory in legal research.

## **COURSE FORMAT**

### **LECTURES**

**The lectures in this course are pre-recorded lectures that you are encouraged to watch before the weekly tutorials.** The lectures in this course are designed to introduce students to the important role of research and the approaches to research that may be engaged in the field of legal studies. Lectures will also provide foundations for effective analysis of different types of primary and secondary sources in law.

### **TUTORIALS**

Tutorials will take place every Tuesday and Thursday from 1:05-2:25pm in our classroom. Tutorials are used to provide hands-on introduction to research skills and training with electronic resources. Some tutorials will be ‘labs’ and other will be workshops addressing writing skills and assignments. **All tutorials will be led by your Instructor. I highly recommend that attend the live tutorials. This is your opportunity to ask questions and meet the other students in the class.**

## **COURSE MATERIALS:**

### **A. RECOMMENDED TEXT:**

1. McGill Law Journal, *Canadian Guide to Uniform Legal Citation*, 9th ed (Toronto, Ontario: Thomson Reuters, 2018) [The *McGill Guide*]. This text explains the basic rules of legal citation. It is an essential reference text for anyone conducting research concerning legal issues. You will use it as a resource in other courses as you progress in the law program.

**B. REQUIRED READINGS:****Articles and Cases :**

Other required readings will include articles and cases. These will be available through a link on the Brightspace home page and through the library ARES system.

**EVALUATION:**

**This course is DEMANDING AND INTENSIVE. It will require considerable ongoing attention every week. These components are explained in detail below. Please review carefully and note all requirements and due dates.**

We know that this is a lot of work for you (and for us) and that the course may seem much heavier than your other courses. However, this course is foundational in your Law Program. It is designed to provide you with the opportunity to develop research skills and understanding that will serve you well in your other law courses. The course is also designed to encourage you to stay engaged with the material being covered each week. Notably, the evaluation of the course is weighted to reward those students who stay engaged, submit the exercises on time, attend and participate in tutorial exercises.

<b>Evaluation Component</b>	<b>Value</b>	<b>Due Dates</b>
<b>ASSIGNMENTS</b>		
There are TWO Assignments in the course. Each is submitted through the Brightspace Assignment Tab. Full instructions will be provided with the Assignment Sheets which will be posted on the Assignment Tab on Brightspace.		
<b>Assignment 1: Case Brief</b> This assignment will require students to summarize and analyze a judicial decision in a case to be assigned by the instructor.	34%	May 24, 2023
<b>Assignment 2: Summary and Analysis of Secondary Sources and Statutes/Government Documents</b>  This assignment is designed to provide students with the opportunity to locate and analyze several journal articles assigned by the instructor.  The assignment will also require that you locate statutes, bills and government documents and perform a critical analysis.	40%	June 16, 2023

Evaluation Component	Value	Due Dates
<p><b>CLASS ATTENDANCE AND PARTICIPATION</b></p> <p>Tutorial attendance is mandatory. Tutorials take two different formats (labs and workshops). Labs cover the nuts and bolts of legal research and databases. Workshops cover specialized themes such as analyzing legal material and writing.</p> <p>Students will complete worksheets in these labs.</p>	10%	
<p><b>LECTURE QUIZZES</b></p> <p>There are 10 Lecture Quizzes that are based on the content discussed in the lectures and a designated reading for each lecture. Each Quiz gets activated the day the lecture (6:00am) for that week is scheduled in the course schedule below.</p> <p>All Quizzes stay open for only one week. Students will have one hour to complete each Quiz.</p> <p><u>Important Note:</u> Each Quiz is worth 2 marks out of your final grade. Only your marks from your best 8 Quizzes will be counted towards your final grade. This means that students may choose to only complete 8 of the Quizzes if they are satisfied with their marks from these 8 Quizzes.</p>	16%	<p><b>Class 1 Quiz</b> – open from May 4 until May 10.  <b>Class 2 Quiz</b> – open from May 9 until May 15 .  <b>Class 3 Quiz</b> – open from May 11 until May 17.  <b>Class 4 Quiz</b> – open May 16 until May 22.  <b>Class 5 Quiz</b> – open May 18 until May 24.  <b>Class 6 Quiz</b> – open May 23 until Feb May 29.  <b>Class 7 Quiz</b> – open May 25 until May 31.  <b>Class 8 Quiz</b> – open May 30 until June 5.  <b>Class 9 Quiz</b> – open June 1 until June 7.  <b>Class 10 Quiz</b> – open June 6 until June 12.</p>
<p><b>Important Notes on Evaluation:</b></p>		
<p><b>You must complete all components of the Evaluation to receive a passing mark in the course.</b></p> <p><b>Standing in a course is determined by the course instructor subject to the approval of the Department and of the Faculty Dean. This means that grades submitted by the instructor may be subject to revision. No grades are final until they have been approved by the Department and the Dean.</b></p>		

**You must provide meticulously correct citations** compliant with the *Canadian Guide to Uniform Legal Citation*, 9<sup>th</sup> edition (the McGill Guide) in Assignments. Marks will be deducted in each assignment if citation is not fully correct. Marks will also be allocated for effective writing.

**Submission:** Due dates for assignments are on Wednesday or Friday. Due time for all work is **midnight**.

**Time Zone:** Ottawa follows Eastern Daylight Time (GMT-4). If you live outside of this time zone please make sure you adjust your submission time to reflect when assignments are due in this time zone. Late papers and extensions will not be accepted for this reason.

**Feedback:** You will receive a marking feedback and evaluation sheet with your marks and some comments when your marks are posted. You should wait 48 hours before emailing your TA if you have questions on your marks. Please make your queries specific and detailed so that the TA can review your points and get back to you. If necessary, your TA will set up an appointment to meet with you.

#### **Timelines**

- It will take about 14 days to mark and return Assignment 1 to you through the Assignments Tab.
- Assignment 2 will be marked within the timeframe for finalizing the Final Grade Report. You will receive your mark around the same time as the FGR is submitted to the Dean's Office.
- Marks for other submissions will be input by your TA using Grade Book. These are likely to be posted 'en bloc' near the end of the semester. You will know if you have obtained the associated marks in any case, by submitting on time.

**Grade Book:** Initially, you will obtain your mark through the Assignments Tab on Brightspace. After a short time, we will also release the marks onto grade book. Please check from time to time so we can catch any errors or omissions early and make corrections.

**Keep a copy:** Keep a copy of all assignments and other submissions until your final grade is confirmed.

**Individual work only!** See later discussion of Academic Integrity.

#### **LATE PENALTIES**

I have every commitment to your success in the course and also know that 'life' (and other coursework) can intervene. I also realise that it is common for students (and even professors) to work towards the 'last minute deadline.' As the seconds tick towards the deadline however, there seems to be a correlated 'disaster clock' – a computer crash, lost file etc. I urge you to set earlier 'self-deadlines' and to allow time for revision for major Assignments.

This is a very large class. Late assignments create a significant administrative burden across the team of people who work with me on the course. Accordingly, I expect and require students to get their assignments in ON TIME. I am remorseless about lateness. The Late Policy is as follows:

#### **ASSIGNMENTS**

##### Grace Period:

- All students will receive THREE full grace days to submit assignments. This grace period gives students the opportunity to delay the submission of assignments by (at most) three days without penalty.

- The grace days can be used on both assignments 1 and 2 or not at all. You have 3 grace days to submit on Assignment 1 and another 3 on Assignment 2 - but you cannot use leftover grace days from assignment one on assignment two.
- If the assignment is due Friday at midnight- the 3 full days will mean that the assignment is due on Monday at midnight.

Late Assignments Are **NOT** Accepted:

- Late Assignments are not accepted in this course. Students may take advantage of the grace period or request an extension (if they meet the requirements).

### **EXTENSIONS FOR THE ASSIGNMENTS**

Students can request an extension on Assignments for serious illness, Covid related reasons or family and personal emergencies.

Competing workloads in other courses is not a sufficient reason for an extension.

Work schedule or family schedule conflicts are not sufficient reasons for an extension.

Students requesting an extension **MUST** contact the Course Instructor prior to the assignment deadline. The granting of extensions is determined by the instructor (not Teaching Assistants) who will confirm whether an extension is granted and the length of the extension. For requests for extensions lasting less than 7 days, please complete the Self-Declaration form (located on the course Brightspace page) and submit it to the instructor through email ([zeina.bouzeid@carleton.ca](mailto:zeina.bouzeid@carleton.ca)) PRIOR to the assignment due date.

**Extensions for longer than 7 days will normally not be granted.** In those extraordinary cases where extensions lasting longer than 7 days are granted, the student will be required to provide additional information to justify the longer extension (up to a maximum of 14 days).

**Extensions will not be granted for computer problems of any kind. I URGE you to back up your work as you go along: email a draft to yourself whenever you finish a segment of work on it or copy it to a USB thumb-drive or an external hard drive.**

**COURSE SCHEDULE: LECTURES, TUTORIALS, DUE DATES FOR EVALUATION**
