CALENDAR COURSE DESCRIPTION

International regulation of trade and investment through bilateral, regional, and multilateral treaties and agreements. Topics may include WTO, NAFTA, the EU, UNCTAD, intergovernmental commodity agreements, dispute settlement.

COURSE DESCRIPTION

This course will examine the development and elements of the international legal framework for regulating trade and investment. The components of this course introduce the institutions and rules that govern global trade between states. We will mainly focus on the development of the expansion of the World Trade Organization (WTO) legal framework and examine selected aspects regulating international economic activity and trade law including Most Favored Nation and National Treatment

principles, Tariffs, Preferential trade agreements, contingency protection, bi-lateral and multilateral agreements, regional integration, dispute settlements and other key matters that impact trade. We will also examine the role played by international law and specifically by international economic law in regulating international economic activity. A fundamental theme of this course will be assessing the role of law in regulating international economic transactions. In addition, students should also be able to assess any benefits of global free trade as well as understand the issues contributing to a protectionist retreat from current trade arrangements.

COURSE MODALITY & TECHNICAL REQUIREMENTS

This course is an online course where the instructor and students share information, ideas, and learning experiences in a virtual course space. Asynchronous courses do not have live, scheduled meetings online. However, students are expected to remain up to date with the deadlines and due dates provided by the instructor. These courses require high-speed Internet access and a computer.

LEARNING OBJECTIVES

Upon successful completion of the course, students will be able to:

- Demonstrate an understanding of the history of international trade principles, theories, policies, and institutions;
- Sketch out the basic framework of trade rules as well as the primary principles, concepts, and norms that animate international trade;
- Read, summarize and examine WTO and other international and regional trade laws and regulations;
- Critically evaluate issues affecting trade regulations such as environment, agriculture, and developing countries;
- Investigate Canadian and global trading systems and legal frameworks to regulate trading partners through assessing cases and challenges between developed, developing, and least developed countries.

REQUIRED TEXTS

Michael J. Trebilcock, Robert Howse, Antonia Eliason, *The Regulation of International Trade*, 4th ed., (London and New York: Routledge, 2012).

I will make sure if the online version of the book may be available on ARES before starting the semester. The textbook may be purchased online through the Carleton University bookstore website. The bookstore is offering a variety of ways for students to get their textbooks, including domestic and international shipping, digital options (where available), and in-store pickup.

SUPPLEMENTARY TEXTS

As we proceed, additional related readings may be posted throughout the semester. We will use WTO open access resources from https://www.wto.org/english/res_e/res_e.htm

EVALUATION

Standing in a course is determined by the course instructor subject to the approval of the Department and of the Faculty Dean. This means that grades submitted by the instructor may be subject to revision. No grades are final until they have been approved by the Department and the Dean.

Individual Presentation: 10%

5 Quizzes: 35%

Assignment: 20%

Final Exam: 35% [During the exam period. Will be scheduled by the Exam service]

Total: 100%

Individual presentation: 10%

I will hold an hour and a half session during our class time for meeting a group. I will make groups of 5-6 students each and a scheduled group will meet me during the session. You will be assigned a reading to present for 5 to 7 minutes during this session. I will post the list of groups in the first week of our class. You will be required to present only once throughout the semester. To do this, you will read an assigned reading, make a summary of the reading, and present it during the live session. This is a great opportunity for both students and instructors to communicate with each other and discuss the topics more fruitfully.

5 Quizzes: 35%

For assessing a better understanding of the reading and lecture materials, you will be required to complete online quizzes. The quizzes may be comprised of true/false, multiple-choice, or other forms of quiz questions. There may be 7 quiz questions you should answer. A total of 7 quizzes [Sept. 20, Oct. 04, 18, Nov. 01, 15, 29, and December 6] will be available and you must attend at least 5 quizzes. Each of the quizzes is worth 7%, for a total of 35% of the total grade. To get the full 7%, you must have at least 7 correct answers. So, 1 point for each correct answer and no deduction for the wrong answer. For example, if you have 6 correct answers, you will receive 6 points, 5 correct answers for 5 points, 4 correct answers for 4 points, 3 correct answers for 3 points, and 2 correct answers for 2 points and 1 correct answer, you will receive 1 point. You can attempt a quiz once only. Missed quizzes cannot be made up.

The quizzes will be posted on Brightspace on Fridays of the Quiz weeks before 11:59 pm (Weeks 2, 4, 5, 6, 8, 10, and 11) and students can complete each quiz any time before the weekly lecture time (Mondays 2:35 pm). For example, the FIRST quiz will be posted on Brightspace on Thursday (September 16) before 11:59 pm, and you can complete the quiz any time before the 2nd Lecture/Class [September 20 before 2:35

pm]. This example applies to all assigned quizzes. **More information is outlined in the weekly class schedule.** Please ensure that you have a secure and reliable internet connection when completing the quizzes as they will be timed. Start your quiz after reading the weekly reading materials. Once the quiz is started online, students will have 25 minutes to complete all 7 quiz questions. They will be marked automatically, and students will receive their results through Brightspace.

Assignment: [20%]

This assignment is designed to give students the chance to study a specific topic more deeply. The assignment topic will be posted on Brightspace.

You must follow the University's policies on academic integrity. Besides the coursebook, you are allowed to use outside sources. Responses must be your original, individual work. Do not share or discuss answers with other students. Plagiarism is an academic offense. Please review the university policy regarding plagiarism (see link on page 8). To avoid plagiarism, use your own words (rather than quotations or lengthy paraphrasing) wherever possible. Doing so demonstrates that you understand the material and, also, tends to require fewer words. However, you must provide proper citations when relying on the ideas of others. Wherever you quote directly you must enclose the text in quotation marks (" "), and include a footnote with the author's last name (in some cases, title of the readings accepted if you are unclear about the author) and page number of the text. You are requested not to use more than three quotations in this paper. Papers with too many direct quotes will lose marks as direct quotes do not count as your own work, no matter how carefully you have chosen the quote. Use any citation style of your choice but I prefer the *Canadian Guide to Uniform Legal Citation*, 9th ed (Toronto: Thomson Reuters, 2018). You can find a citation guide here (https://library.carleton.ca/sites/default/files/help/writing-citing/Using_uniform_legal_citation_2018.pdf).

The length of the assignment should be between 1200 and 1500 words. The assignment is due on November 18 before 11:59 pm. Additional instructions for the assignment may be posted on Brightspace.

Final Exam (35%): The final exam will be in essay format. You will be asked to answer two to three long questions during the examination period. More information regarding the final exam will be posted on Brightspace later.

LATE PENALTIES AND REQUESTS FOR EXTENSIONS

Late Penalty

Late submission will be penalized. Assignments submitted later than the due date will be penalized 5% per day of the total value of the assignment. For example, if an assignment worth 25% of the total course grade is a day late, 1 point out of 20 (or 5% per day) will be deducted.

Extension

The granting of extensions is determined by the instructor who will confirm whether an extension is

granted and the length of the extension. For requests for extensions lasting less than 7 days, please complete the form at the following link and submit it to the instructor prior to the assignment due date: <https://carleton.ca/registrar/wp-content/uploads/self-declaration.pdf>.

Extensions for longer than 7 days will normally not be granted. In those extraordinary cases where extensions lasting longer than 7 days are granted, the student will be required to provide additional information to justify the longer extension (up to a maximum of 14 days).

SCHEDULE

There are three types of learning strategies that will be followed for this course. First, students are responsible for all assigned readings.
