### **EVALUATION**

Standing in a course is determined by the course instructor subject to the approval of the Department and of the Faculty Dean. This means that grades submitted by the instructor may be subject to revision. No grades are final until they have been approved by the Department and the Dean.

#### **1. Essay (45% - Due Friday, April 8th, 2022)**

Students will write an essay on a topic agreed upon by the instructor. The instructor will discuss in class a range of possible essay topics. The paper will be between 3000 and 3500 words (12-15 double spaced typed pages). Maximum length is 3500 words or approximately 15 double spaced typed pages. Penalty: The marking of the assignments will be in letter grades. Late assignments will be penalized at the rate of ½ full letter grade per day (e.g. original mark B: one day late B-, two days late C etc.). The paper should include a cover sheet, which should include the title of your paper, your name and student number. Quality of expression is essential. Care must be taken to ensure proper spelling, grammar and style, as each will be taken into account in assigning a mark. Use headings for each section of your paper. Include a table of contents, with page numbers, for each section of your paper. The title should accurately reflect the subject matter of your paper. The introduction should include a position statement which is then explored in the paper. The introduction should define your topic and indicate the problem to be addressed. The body of the paper should include analysis, and demonstrate that you have done research and reading including course materials and other publications. Possible reform options should be explored. A conclusion which concisely and cogently summarizes your discussion is invaluable. Proper footnoting and bibliography are required. You may use any commonly accepted style.

Note that there are Instructional Offences: Assignments must be original. It is an instructional offence for any student to copy the work of another student or to submit work that is not his or

her own. In relying on the ideas of others, it is important to acknowledge that you are doing so. This does not apply merely when you are paraphrasing or quoting the work of an author, but also when you are using your own words to describe the ideas of others. The onus is on each student to retain a copy of the assignment until the graded assignment is returned. This will avoid the risk of an assignment being lost.

## **2. Presentation ( 35%)**

Each student is responsible for making a presentation of 15-20 minutes before the class based on the subject matter of the essay. The presentation will outline the main issues raised in the paper and the student must be prepared to address any questions posed as a result of the exercise.

## **4. Outline (20% - Due Friday, February 18th, 2022)**

Each student is required to submit an outline regarding the subject matter of their paper. The outline should describe in general the paper to be researched and submitted at the end of the term, and should not be more than 3 pages single spaced.

### **LATE PENALTIES AND REQUESTS FOR EXTENSIONS**

Late assignments will be penalized at the rate of ½ full letter grade per day (e.g. original mark B: one day late B-, two days late C etc.).

The granting of extensions is determined by the instructor who will confirm whether an extension is granted and the length of the extension. For requests for extensions lasting less than 7 days, please complete the form at the following link and submit it to the instructor prior to the assignment due date. [https://carleton.ca/registrar/wp-content/uploads/COVID-19\\_Self-declaration.pdf](https://carleton.ca/registrar/wp-content/uploads/COVID-19_Self-declaration.pdf) **Extensions for longer than 7 days will normally not be granted.** In those extraordinary cases where extensions lasting longer than 7 days are granted, the student will be required to provide additional information to justify the longer extension (up to a maximum of 14 days).
