*The 13th Annual Carleton Legal Studies Graduate Conference*

*Hosting presentations on the craft that goes into laws and stories, the fairytale and fallacy of just outcomes, and representation*

***Happily Ever After?***  
**The 13th Annual Carleton Legal Studies Graduate Conference**

Land Acknowledgment

The organizers and supporters of this conference acknowledge that the land in which we gather today is the traditional and unceded territory of the Algonquin nation. The Canadian state laid claim to these territories through violent systems of colonization that resulted and continue to result in the dispossession, marginalization, and impoverishment of Algonquin people and the overexploitation of land and waters within their territory. We extend our ongoing solidarity to the Algonquin nation with our words, actions, time, skills, and resources.
