

Further Explorations in Jazz History

With Adrian Cho

Course Outline

This course will be taught in much the same way jazz musicians approach music, which is to say that we will explore and precisely where we go and end up will be determined somewhat by the collective class discussion. That said, the intention is to cover the following music styles although not necessarily in the order listed.

1. Hard Bop including Art Blakey, Charles Mingus, Horace Silver
2. Free Jazz including Ornette Coleman, Albert Ayler, Cecil Taylor, Lennie Tristano
3. Jazz Fusion including Miles Davis, Chick Corea, Pat Metheny
4. Jazz Funk including Herbie Hancock, Donald Byrd
5. Latin Jazz including Joao Gilberto, Antonio Carlos Jobim, Machito, Chucho Valdes
6. Jazz in Canada including Oscar Peterson, Kenny Wheeler, Lenny Breau
7. Jazz in Europe including Jan Garbarek, Tomasz Sanko, Norma Winstone
