Parking

Prepaid "virtual" parking permits for LinR Fall 2019 offerings at Carleton University's main campus, located at 1125 Colonel By Drive, are available for purchase through the Learning in Retirement (LinR) office, for \$7 per half-day. These permits are valid only for parking lot R6. LinR collects licence plate numbers during registration, and submits them to Parking Services. The licence plate numbers function as the permit credential, replacing paper permits.

Participants who do not purchase a virtual parking permit in advance may purchase parking by the hour at the pay-and-display machines for parking garage P18 at Carleton University. Rates are set by Parking Services.
