5. Al Naqba (Al Jazera)
   This is an excellent 2-part series on the history of Palestine. Each part is 90 minutes. It features a lot of archival film footage, and interviews with Palestinian, Israelis and independent observers and scholars. The first part deals with the history of Palestine from 1800 to 1947. The last part deals with the conflict that Israel calls its “War of Independence” and which the Palestinians call “Al Naqba” (the catastrophe), and the subsequent events. It comes right up to about 2000.
