

CARLETON UNIVERSITY
Department of Mechanical and Aerospace Engineering
MASTER'S THESIS EXAMINATION

CANDIDATE: *Anton Lebar*
Bachelor of Engineering, Carleton University, 2017

DATE: *Friday May 22, 2020, 9:00 Teleconference*

THESIS TITLE: *A Study of Particle Surface Effects on the Spall Strength of Particle-Reinforced Polymer Matrix Composites*

EXAMINATION BOARD:

Internal Examiner	Huseyin Gunay, Civil & Environmental Engineering	(Teleconference)
Member of Department	Henry Saari, Mechanical & Aerospace Engineering	(Teleconference)
Member of Joint Institute	Patrick Dumond, Mechanical Engineering - University of Ottawa	(Teleconference)
Thesis Supervisor	Oren Petel, Mechanical & Aerospace Engineering	(Teleconference)
Chair of Defence	Cynthia Cruickshank, Mechanical & Aerospace Engineering	(Teleconference)
Chair/Director of Department or Designate	Ronald Miller	(Ex-officio)
Dean of Faculty	Larry Kostiuk	(Ex-officio)
Dean, Faculty of Graduate and Postdoctoral Affairs	Patrice Smith	(Ex-officio)

Ronald Miller, Chair/Director of Department or Designate
Department of Mechanical and Aerospace Engineering
