

CARLETON UNIVERSITY
Department of Mechanical and Aerospace Engineering
MASTER'S THESIS EXAMINATION

CANDIDATE: *Daniel Mason*
Bachelor of Engineering, Carleton University, 2018

DATE: *Monday September 21, 2020, 13:30 Video Conference*

THESIS TITLE: *Raman spectroscopy-based analysis of cartilage composition with applications in finite element modeling*

EXAMINATION BOARD:

Internal Examiner	Paul Johns, Department of Physics	(Video Conference)
Member of Department	Edgar Matida, Mechanical & Aerospace Engineering	(Video Conference)
Member of Joint Institute	Thomas Uchida, Mechanical Engineering - University of Ottawa	(Video Conference)
Thesis Supervisor	Andrew Speirs, Mechanical & Aerospace Engineering	(Video Conference)
Thesis Co-Supervisor	Sangeeta Murugkar, Department of Physics	(Video Conference)
Chair/Director of Department or Designate	Ronald Miller	(Ex-officio)
Dean of Faculty	Larry Kostiuk	(Ex-officio)
Dean, Faculty of Graduate and Postdoctoral Affairs	Patrice Smith	(Ex-officio)

Ronald Miller, Chair/Director of Department or Designate
Department of Mechanical and Aerospace Engineering
