CANDIDATE: Jeffrey Hough  
Bachelor of Engineering, Carleton University, 2019

DATE: Thursday May 13, 2021, 9:00 Video Conference

THESIS TITLE: Cascaded Lyapunov Vector Fields for Spacecraft Relative Trajectory Tracking in Rotating Reference Frames Under Acceleration Constraints

EXAMINATION BOARD:

Member of Department M. John Hayes, Mechanical & Aerospace Engineering (Video Conference)

Member of Joint Institute Davide Spinello, Mechanical Engineering - University of Ottawa (Video Conference)

Thesis Supervisor Steve Ulrich, Mechanical & Aerospace Engineering (Video Conference)

Chair of Defence Jean Duquette, Mechanical & Aerospace Engineering (Video Conference)

Chair/Director of Department or Designate Ronald Miller (Ex-officio)

Dean of Faculty Larry Kostiuk (Ex-officio)

Dean, Faculty of Graduate and Postdoctoral Affairs Patrice Smith (Ex-officio)
