CANDIDATE: Padmassun Rajakareyar  
Bachelor of Engineering, Carleton University, 2019

DATE: Friday September 02, 2022, 15:00 Video Conference

THESIS TITLE: Thermo-Elastic mechanics of Morphing Lattice Structures with Application in Shape Optimization of BLI Engine Intakes

EXAMINATION BOARD:

Member of Department  David MacPhee, Mechanical & Aerospace Engineering (Video Conference)

Member of Joint Institute  Raphael St-Gelais, Mechanical Engineering - University of Ottawa (Video Conference)

Thesis Supervisor  Mostafa El Sayed, Mechanical & Aerospace Engineering (Video Conference)

Thesis Co-Supervisor  Hamza Abo El Ella, Mechanical & Aerospace Engineering (Video Conference)

Chair of Defence  Hashim Mohamed, Mechanical & Aerospace Engineering (Video Conference)

Chair/Director of Department or Designate  Ronald Miller (Ex-officio)

Dean of Faculty  Larry Kostiuk (Ex-officio)

Dean, Faculty of Graduate and Postdoctoral Affairs  Patrice Smith (Ex-officio)
