

### A. Personal Data: (Please note that we can only email a response to your Carleton email address.)

Name		Student Number	
Carleton Email Address		Term: Fall/Winter/Summer	Year
Program	Specialization (if applicable)		

### B. Course Details:

This course is intended for students interested in pursuing graduate studies. Students carry out a study, analysis, and solution of an engineering problem. Results presented in the form of a written report. To obtain departmental permission from the Associate Chair to register for this course, the following conditions need to be satisfied:

1. A CGPA of 7.0 or higher
2. Completing of or concurrent registration in the 4th year Capstone Design Project course (MAAE 4907).
3. Consent of a faculty member(s) to supervise the study
4. A student cannot count more than one Directed Study towards their program requirements.

Please attach a course outline when submitting the Direct Studies form.

(Describe course content and requirements in a format similar to a week-by-week course outline including a marking scheme where a minimum of 50% of the final grade is justifiably based on individual student work. Include primary references, reading list if applicable)
