Notes about the Math Tutorial Centre:

1 – The Math Tutorial Centre will **open fully** on **Friday Sep 23 – Friday Dec 9**.

2 – The Math Tutorial Centre will be **partially open (only Kyle)** starting from **Sep 19**.

3 – The Math Tutorial Centre will **not be open on Holidays (Oct 10)**, nor **during the break (Oct 24 – Oct 28)**.

4 – We are planning on having the Math Tutorial Centre open during the exam period. A different schedule will be posted later in the term for the exam period.

5 – Friday Dec 9 is actually a Monday Schedule. So on this one Friday, you will be looking for TAs who are in the Math Tutorial Centre on Mondays.

6 – To get help, walk up to a TA on the left side of the room, give them the course you are in, and show them the question that you would like to work on. The TA will help from there.

Note that the MTC TAs are not permitted to answer assignment questions. For help with assignments, please check with your instructor and/or TA assigned to the course.
