Do you have questions about academics, careers or getting involved? Stop by the SSSC for one-on-one mentoring!
Faculty of Science students helping other Faculty of Science students succeed.

**MENTORING**
Get matched with an upper-year mentor in your major. Let them guide you through:
- Adjusting to University
- Getting Involved in Clubs and Societies
- Applying to Graduate School
- Preparing for Exams
- Finding Research Positions
- Studying for Particular Classes

**ACADEMIC SUPPORT**
Throughout the school year, supplement your classroom learning with SSSC workshops such as:
- Formatting a Lab Report
- High School Refresher Courses
- Studying for Science Exams
- Time Management

**CAREER**
Attend a workshop on getting into graduate school, speak to an experienced undergraduate researcher one-on-one, explore our online resources or find your career path by meeting professionals at the SSSC’s networking events:
- Getting into Research Workshop
- Finding the Right Honours Thesis Supervisor
- Science Networking Forum
- Science Student Alumni Mixer
- Science Lab Tour Week
- NSERC USRA and DSRI support

**COMMUNITY**
Meet students in the Faculty of Science by participating in the SSSC’s social activities such as:
- Science Professor Jeopardy
- Science Open Mic Night
- Science Kindness Week
- Game Night

**HEALTH CARE**
Interested in health care? Consider your career possibilities by attending a workshop or exploring our online resources on:
- Medical School
- Med Night
- MCAT Prep
- Dentistry
- Multiple Mini Interviews
- Other Health Care Professions

**COMPUTER SCIENCE**
Enhance your computer science skills, develop coding abilities by attending the annual Carleton Coding Challenge, and interact with computer science professionals from various tech companies.
- Computer Science Industry Mixer
- Using the Command Line Workshop
- Carleton Coding Challenge
- Google Technical Interview Practice
