- 2 The Math Tutorial Centre will be **partially open (only Kyle) starting from May 10**.
- 3 The Math Tutorial Centre will not be open on Holidays (May 23, Aug 1), nor during the break (Jun 20 Jul 1).
- 4 The Math Tutorial Centre will **not be open during the exam period (Aug 17 Aug 31)**.
- 5 The Math Tutorial Centre will **not be open on Fridays EXCEPT for Friday June 17** as this is a Monday Schedule. Thus, on this one Friday, you can see the TAs who are usually in on Mondays.
- 6 To get help, simply walk up to a TA on the left hand side of the room, explain which course you are looking for help in, and show them the question that you would like to work on. The TA will help out if they are able to do so.

Note that the MTC TAs are not permitted to answer assignment questions. For help with assignments, please check with your instructor and/or TA assigned to the course.
