MGDS 5101S Practicum Sponsor Agreement Form Summer 2021

Thank you for considering participating as a sponsor of a graduate student in the Migration and Diaspora Studies Practicum program. A practicum placement is an invaluable experience for our students. It provides them with an opportunity to develop new skills and explore potential career options. Students benefit from these experiences which are essential to helping them transition to the job market upon graduation.

A NOTE ON COVID-19: Due to the pandemic, we expect that because of public health guidelines, most students will be working at their placements remotely.
